

TRANSPORTATION IMPROVEMENT PROGRAM (TIP)

Project Request Form INTELLIGENT TRANSPORTATION SYSTEM (ITS)

All TIP Project Request Forms must be accompanied by a copy of the official action recommending the projects. The action may be in the form of a resolution or letter that indicates a majority of the governing board approved the project request(s). Also, all forms must have attached ITD forms 2435 and 1150. Please include any additional information on the project on separate pages.

GENERAL PROJECT INFORMATION

Requesting Agency: _____

Project Name: _____

Project Description: _____

Project Termini: Start: _____ Finish: _____

Cost Estimate: \$ _____

Source of Cost Estimate: _____

Implementing Agency (Check all that apply): ITD City of _____

ACHD _____ Highway District County of _____

FOR INTERNAL USE ONLY:

Is the project identified in *Communities in Motion*?

YES NO

PROJECT PRIORITIZATION

System Continuity:

1. Is the project listed in the current ITS plan and on a priority corridor as identified in the ITS plan? **YES** **NO**

2. At what level will the project enhance and support other ITS projects which are already in place?
 - The project will **strongly** enhance and support projects which have importance in three (3) cities or two (2) counties.
 - The project will **moderately** enhance and support projects which have importance in three (3) cities or two (2) counties.
 - The project will enhance and support projects which have importance **only** in the city or county in which the project is located.
 - The project will **not** enhance and support projects currently in place.

Congestion Mitigation:

1. Will the project analyze a segment of roadway which has been classified as congested as part of the Congestion Management Process (CMP)? **YES** **NO**

2. If yes, for how many years? _____

3. At what level has the project been classified in the CMP most recently?
 HIGH **MEDIUM** **LOW** **NOT CLASSIED**

Safety Enhancement:

1. If a new segment, intersection, or interchange, what is the estimated number of crashes per year?

<p>FOR INTERNAL USE ONLY:</p> <p>How is this segment reported in the Congestion Management Process? _____</p> <p>_____</p> <p>_____</p>
--

Multi-Modal Enhancement:

1. List additional modes of travel that are accommodated for and how they benefit from this project.

2. Does the project provide ITS service to an intermodal facility which benefits three (3) cities or two (2) counties? **YES** **NO**
3. If no, does the project provide ITS service to an intermodal facility of local importance benefiting only the city or county where the facility is located? **YES** **NO**

Timely Implementation:

1. In how many years could the project be implemented? _____
2. Are there any political roadblocks that can be foreseen at this time? **YES** **NO**

Land Use:

1. What percentage of the project is contained completely within the “growth” area in the Community Choices land use scenario as defined in *Communities in Motion*?

2. Does the project connect two (2) or more “growth areas” in the Community Choices land use scenario? The project may traverse through “no growth” areas in making this connection. **YES** **NO**

BONUS PRIORITIZATION POINTS

Funding Incentives:

1. Will the project sponsor or other entity(ies) provide additional monetary or in-kind support to the project? How much (in dollars)? **YES** **NO**

Coordinated Efforts:

1. Does the project coordinate with a separate funded project resulting in cost savings or development efficiency? **YES** **NO**
2. If yes, would the coordinating benefits be classified as “major” or “minor”? Major benefits include multi-modal projects, added capacity, or safety improvements. Minor benefits include utility improvements or overlays. **MAJOR** **MINOR**

Other coordinated benefits? _____
