Five Mile Creek Pathway
Segment D
Ten Mile Road to Black Cat
Overview - 5 Mile Creek Pathway

Once fully constructed, the Five Mile Creek Pathway will provide over 11 miles of continuous pathway with connections to downtown Meridian, Tully Park, 8th Street Park, several schools and numerous neighborhoods within Meridian.

Source: City of Meridian Pathways Master Plan
Key Issues:

1. Pathway alignment
2. Ten Mile Road Crossing
Five Mile Creek Pathway Project Development Report

BACKGROUND

COMPASS
Comprehensive study completed in May, 2017

Proposed
• Preferred pathway alignment
• Preferred crossing scenario at Ten Mile Road
Pathway Alignment Options

ALIGNMENT OPTIONS EVALUATED

- Original Option 1
- Original Option 2
- Original Option 3
- Original Option 4
Preferred Alignment

- Fewer easements required
- Bureau of Reclamation property
- Avoid ‘pinch point’ with existing structures on south bank
Ten Mile Road Crossing Options
Ten Mile Road Crossing

EXISTING CONDITIONS
Ten Mile Road Crossing

- Meridian Waste Water Treatment Facility
- FIVE MILE CREEK
- NELIS PATHWAY
- Idaho Power Substation
- Nampa Meridian Irrigation District
