

Leadership in Practice, Professional

Tim Richard Canyon Highway District No. 4

Tim Richard worked for Canyon Highway District No. 4 for 18 years, serving as both District Engineer and Director of Highways. During his tenure, he demonstrated leadership in maintenance practices, transportation planning, interagency cooperation, and project development, leading numerous impactful projects, including:

- The Lake Lowell Bicycle and Pedestrian Plan
- Ustick Road, Farmway Road, and Homedale Road Corridor Plans
- The Old Highway 30 Bridge Replacement Project
- Emmett Road Roundabouts at Willis Road and 9th Street
- Canyon Highway District's Pavement Management Program
