In the event CONTRACTOR is selected, a Task Order for the specific services shall be prepared. The Task Order shall detail the scope of work for those specific services, the timeline and deliverables for those specific services, and the not-to-exceed amount for those specific services. The Task Order will be mutually agreed to and executed by CONTRACTOR and COMPASS prior to the commencement of work.
- 3.2 COMPASS shall compensate the CONTRACTOR for required services rendered on a not-to-exceed basis for each Task Order issued. CONTRACTOR is required to complete a W-9 form prior to the commencement of the work on the Project.
- 3.3 COMPASS and the CONTRACTOR shall agree in writing prior to the CONTRACTOR's performance of services outside the Project Scope of Work. COMPASS shall compensate the CONTRACTOR for such extra services in an amount mutually agreed to in writing by COMPASS and the CONTRACTOR prior to the performance of such services.

- 3.5.4 Unless there is a dispute about the compensation due the CONTRACTOR, within thirty (30) calendar days after receipt by COMPASS of the CONTRACTOR's invoice, COMPASS shall pay to the CONTRACTOR the amount approved. The date on which payment is due shall be referred to as the Payment Date. In the event of disputes, payment shall be made on or before the Payment Date for amounts and services not in dispute, subject to any offsets claimed by COMPASS. Payments shall be deemed timely if postmarked at least two (2) business days before the Payment Date.
- 3.5.5 No interest shall accrue when payment is delayed because of a dispute between COMPASS and the CONTRACTOR, or a dispute as to the accuracy or completeness of any request for payment received. This shall apply only to that portion of a delayed payment which is actually the subject of the dispute and shall apply only for the duration of such disagreement.

- 9.3 **Disclosure of Information:** The CONTRACTOR shall not disclose any information it receives from COMPASS to any other person or entity except to the extent necessary to allow it to perform its duties under this Agreement or as otherwise required by law or in defense of any legal claim. No news release, public announcement, denial or confirmation of any part of the subject matter of this Agreement or any phase of any program hereunder shall be made without prior consent of COMPASS.
- 9.4 **Non-Publication:** Submission or distribution of documents to meet official regulatory requirements or for other required purposes in connection with the Project is not to be construed as publication in derogation of COMPASS' common law copyrights or other reserved rights.

Under the Act, records are public documents and are open to public inspection and copying unless specifically exempted from disclosure. An exemption is available to protect trade secrets from public disclosure. The documents and information CONTRACTOR receives, creates or possesses in the performance of its obligations under this agreement may or may not be trade secrets as that term is used in the Act. Other exemptions from disclosure also may apply, depending on the circumstances.
- (ii) If COMPASS receives a request for inspection or copying of the documents and information COMPASS receives, creates or possesses under the performance and obligations of this agreement, the Act requires COMPASS to grant or deny the request within three (3) working days. If CONTRACTOR believes the information to be exempt from disclosure, in whole or in part, it shall immediately inform COMPASS. If, in the reasonable exercise of its discretion, COMPASS agrees, COMPASS shall deny the request. Otherwise, the information may be released for inspection and copying. COMPASS may, in the exercise of its sole discretion, condition a denial of the request for inspection and copying on the indemnification of COMPASS by CONTRACTOR for all costs and expenses which may be associated with the denial (including damages, reasonable attorney's fees and other costs associated with the denial) in a form and amount determined by COMPASS in the exercise of its sole discretion.

TERMINATION OR SUSPENSION OF CONTRACT

- 10.1 **CONTRACTOR's Default:** If the CONTRACTOR defaults by failing to substantially perform, in accordance with the terms of this Agreement, as reasonably and solely determined by COMPASS, COMPASS may give written notice to the CONTRACTOR (i) terminating this Agreement effective seven (7) calendar days from the date of notice; or (ii) setting forth the nature of the default and requesting the CONTRACTOR cure within ten (10) calendar days from the date of notice. - 10.3 **Termination or Suspension for Convenience:** COMPASS may at any time give written notice to the CONTRACTOR terminating this Agreement or suspending the Project, in whole or in part, for COMPASS' convenience and without cause. If COMPASS terminates this Agreement or suspends the Project, the CONTRACTOR shall immediately reduce its staff, services and outstanding commitments in order to minimize the cost of termination or suspension.
- 10.4 **Non-Appropriation:** If sufficient funds are not provided from applicable federal, state, local or other sources to permit COMPASS in the exercise of its reasonable administrative discretion to continue this contract, or if COMPASS or the program for which this contract was executed is abolished, COMPASS may terminate this contract without further liability by giving CONTRACTOR not less than ten (10) calendar days written notice.
- 10.5 **Payment in Case of Termination**
- 10.5.1 If the Agreement is terminated by COMPASS pursuant to Paragraph 10.1, the CONTRACTOR's compensation shall, at COMPASS' option, be calculated on the basis of services actually performed and expenses actually incurred prior to the effective termination date and reduced by all costs and damages incurred by COMPASS as a result of the default of the CONTRACTOR.
- 10.5.2 If the Agreement is (i) terminated by the CONTRACTOR pursuant to Paragraph 10.2; (ii) terminated by COMPASS pursuant to Paragraph 10.3; (iii) suspended more than three (3) months by COMPASS pursuant to 10.3, or (iv) terminated pursuant to Paragraph 10.4, the CONTRACTOR's compensation shall be calculated on the basis of services actually performed
