

Meet the Speaker

Dr. Benjamin Barton

Dr. Benjamin Barton is a Professor and Chair of the Department of Psychology and Communication at the University of Idaho.

Ben manages the psychology, communication, and organizational sciences programs, an MS in Human Factors, and PhD in Experimental Psychology, and certificate programs in addition to his duties as department Chair.

He teaches courses on a variety of human developmental topics, human factors design, and research methods. Ben's research primarily focuses on causes and prevention of unintentional injuries, including injuries sustained on the transportation system.
