COMPASS Education Series Presents: **Electric Vehicles, Charging, and the Future of Transportation**

Meridian, ID – Are you wondering what’s next for electric vehicles – EVs – in the Treasure Valley?

Join the Community Planning Association of Southwest Idaho (COMPASS) as we welcome Whit Jamieson and Varun Bather from Forth for an insightful presentation on the basics of EVs and EV charging, and what you, as a potential EV driver, can expect from charging infrastructure in the coming years. Charging barriers, innovations, and general technology limitations will be discussed in addition to plenty of time for questions, answers, and lively discussion.

- Tuesday, April 11, 2023
- COMPASS; 700 NE 2nd Street, Meridian (first floor Board room)
- 5:30 pm reception
- 6:00 pm – 8:00 pm presentation
- **FREE!** Please RSVP to jgallup@compassidaho.org or 208/475-2226

COMPASS will also host a technical workshop, “Planning for Electric Vehicle Charging in Southwest Idaho,” on Wednesday, April 12, from 9:00 am – 12:00 pm at the same location. This workshop is also free and open to the public, but will have a more technical focus. Please RSVP as above.

This presentation is being offered by COMPASS as part of its annual education series. For more information, visit <https://compassidaho.org/education-series/>.
