

Communities in Motion 2040 2.0 Development Review

The Community Planning Association of Southwest Idaho (COMPASS) is the metropolitan planning organization (MPO) for Ada and Canyon Counties. COMPASS has developed this review as a tool for local governments to evaluate whether land developments are consistent with the goals of *Communities in Motion 2040 2.0* (CIM 2040), the regional long-range transportation plan for Ada and Canyon Counties. This checklist is not intended to be prescriptive, but rather a guidance document based on CIM 2040 2.0 goals.

Recommendations

The Capitol Student Housing development is an infill site in an employment-centric area, with thousands of jobs within a mile of the site. This location provides additional housing nearby Boise State University. Two bus routes (Route 1 – Harris Ranch via Parkcenter and Route 3 – Vista) provide residents direct access to east to Harris Ranch and south to the Boise Airport.
