COMPASS Hires New Assistant Planner

Meridian, ID – The Community Planning Association of Southwest Idaho (COMPASS) is pleased to announce that Dane Hoskins has joined COMPASS as an Assistant Planner. Hoskins will assist in research and analysis for a variety of COMPASS programs, with a primary focus on freight and other long-range planning tasks.

Mr. Hoskins holds a bachelor's degree in civil engineering from Montana State University and a master's degree in urban planning from the University of Cape Town in South Africa. Prior to joining COMPASS, Hoskins worked as an assistant transportation planner at the Kentuckiana Regional Planning and Development Agency in the Louisville, KY, area.

COMPASS is the forum for regional collaboration in southwest Idaho that helps maintain a healthy and economically vibrant region, offering people choices in how and where they live, work, play, and travel. Among other programs, COMPASS conducts regional transportation planning and budgets federal transportation funding for Ada and Canyon Counties.
