

# Working together to plan for the future

Work Group: Regional Operations Workgroup (ROWG)  
Staff Liaisons: Mary Ann Waldinger and Hunter Mulhall

## Purpose:

The purpose of the Regional Operations Workgroup is to promote awareness and integration of transportation operations and management, focusing on multimodal transportation system efficiency, reliability, safety, and ease of use. The workgroup supports the regional planning process, including planning for operations through a coordinated approach to multimodal system operations, intelligent transportation systems (ITS) deployment and data management, and maintenance of related planning documents.

## Tasks:

1. Support identification of congestion management and operational priorities, implementation strategies, and projects.
2. Share successes and lessons learned from recent ITS/TSMO deployments.
3. Review results of 2024 Congestion Management Annual Report.
4. Review tools, data, and technologies to support congestion management and operations.

## Deliverables, Schedule:

1. TSMO/ITS Projects List and ITS Inventory (ongoing).
2. Congestion Management Annual Report (Fall 2025).

## Membership:

Membership in the ROWG will be drawn from representatives of transportation and emergency management agencies from across Ada and Canyon Counties that are active in the planning, funding, design, operation, and maintenance of the region's multi-modal transportation infrastructure.
