## Regional Transportation Projects

### Comment Period: July 1 – July 31, 2026

**COMPASS is seeking YOUR feedback on planned transportation projects:**

- Proposed changes to the regional long-range transportation plan, *Communities in Motion 2050*.
- A transportation budget, called the regional transportation improvement program (TIP), that shows how federal transportation dollars will be spent over the next seven years in Ada and Canyon Counties.

*I am commenting on:*

**The proposed amendment to the long-range transportation plan, *Communities in Motion 2050***

The proposed changes would add a project in Garden City to repair pavement and fill bicycle and pedestrian infrastructure gaps. The changes would also remove a project to widen Ustick Road between Franklin Boulevard and 11th Avenue in Nampa and unincorporated Canyon County, as funding for the Ustick Road project is no longer anticipated in the near term.

**Projects in the transportation improvement program**

**A small sample of projects planned for 2027 include:**

- Widening State Highway 44 from Star Road to State Highway 16 in Ada County (funded in FY2026; construction in FY2027)
- Constructing a sidewalk and improving pedestrian crossings between Syringa Middle School and Spruce Street along Montana Avenue in the City of Caldwell.
- Rehabilitating the transit station at the Boise Towne Square Mall to include a larger, covered passenger waiting area, additional bus bays, restrooms, real-time passenger information, and more.
- Widening and improving a railroad crossing at North Black Cat Road in the City of Meridian.
- Multiple projects to maintain roadways throughout Ada and Canyon Counties.
