**Comments:**

The [COMPASS Regional Housing Coordination Plan](#) recommends housing be built in areas that are already developed and have suitable infrastructure, zoning, and access to transit and active transportation options. Additional capital investments may be needed to serve this site.

**Who we are:** The Community Planning Association of Southwest Idaho (COMPASS) is the metropolitan planning organization for Ada and Canyon Counties. This review evaluates whether land developments are consistent with [Communities in Motion](#), the regional long-range transportation plan for Ada and Canyon Counties. This checklist is not intended to be prescriptive, but rather a guidance document. Past checklists are available [online](#). See the [Development Review User Guide](#) for more information on the red, yellow, and green checklist thresholds.
