FY2008 - 2012 Transportation Improvement Program Northern Ada County: Detailed Project List

8th Street School Sidewalks

To construct new seven (7) foot wide sidewalks on the east and west side of West 8th Street. Connect an existing pedestrian pathway to the new sidewalk. Install cross-walk with in-pavement flashers at the Meridian Middle School at a safe location that connects with the new sidewalk and pedestrian pathway. Install Americans with Disabilities Act (ADA) compliant curb ramps at the Cherry Lane intersection and other locations where necessary.

Phase I Vapor Recovery System Program

To fund installment of Phase I Vapor Recovery System, a new regulation by DEQ for gas suppliers. This is a statewide program where DEQ will reimburse half the cost of installation. Total project = \$1,000,000 (\$500,000 federal). Focus is on Ada and Canyon Counties due to Ozone non-attainment. (50% Ada County and 50% Canyon County) approximate Ada County funding portion.

Pioneer Corridor Bicycle/Pedestrian Improvements

Provides significant improvements to the Pioneer Walkway, a pedestrian and bicycle connection between the Boise River Greenbelt and downtown Boise. Work will enhance the existing pathway with grade leveling, realignment, signage, landscaping and cultural and historical elements. In addition to improving the pathway for bicycle/pedestrian commuter and recreational use, this work will catalyze nearby private development, particularly mixed-use and urban-scale residential, and bring more users to the pathway.

Treasure Valley Air Quality Study

The study will determine whether the Treasure Valley is NOx or VOC "limited." The study will develop meteorological profiles of pollution events, compile existing data into one database, validate and analyze the data, and use the data as an input to the CMAQ model to run scenarios that will enable DEQ to measure the effectiveness of control measures.
