II. **FUNDING POLICY AND PROCEDURES SUPPLEMENTAL**

Several policies affect how funding is allocated once applications are ranked. The COMPASS Federal-Aid funding policy is provided in full below. Deadlines and other procedures are also provided, as are links to other relevant policies.

Sponsor agencies should consider these policies while developing their applications.

**Federal-Aid Funding Policy**
The COMPASS Federal-Aid Funding Policy is provided below:

- Use anticipated available funding in Ada and Canyon Counties to strategically address regional priorities as identified in the regional long-range transportation plan.

- Focus federal formula funds in Ada County (Surface Transportation Block Grant – Transportation Management Area [STBG-TMA]) to maintain the existing transportation network and fill gaps in the alternative transportation system. Use new available funding to strategically address regional priorities.

- Use federal formula funds in Canyon County (STBG-Urban) to address regional priorities as identified in the regional long-range transportation plan.

**Federal-Aid Funding Goals**
The Federal-Aid Funding Policy is further articulated by the Federal-Aid Funding Goals. The funding goals detail both 1) “off-the-top” contributions to specific programs and 2) the allocation of remaining funds to specific project types (funding splits). The tables below describe the off-the-top contributions and funding splits for both the Boise and Nampa Urbanized Areas.

**STBG-TMA (Boise Urbanized Area)** – example of funding policy and goals applied to the available funding of $11,936,000, the estimated program amount in FY2030.

<td>3%</td>
<td>$75,000</td>
</tr>
</tbody>
</table>

The funding splits will be calculated as a five-year rolling average to allow flexibility for a larger project in any of the categories to move forward and remain consistent with the policy.

**Local Network Improvements** - Includes all capital improvements to “maintain and improve the infrastructure and operational performance on the current system.”

Work may include:

- Overlays, rehabilitation, or rebuilds on a roadway
- Transportation improvements that save lives
- Filling gaps on on-system bicycle/pedestrian facilities (including crosswalks and adding/widening shoulders)
- Compliance with the Americans with Disabilities Act
- Improvements to the intelligent transportation system and similar operations systems
- Specific to Ada County:
  - Through-lane capacity is not eligible, except in cases of unanticipated funding opportunities.
- Specific to Canyon County:
  - Eligible for projects to maintain and add capacity.

Projects should reflect strategies outlined in the COMPASS Congestion Management Process, which can be found on the COMPASS website: [www.compassidaho.org/prodserv/cms-intro.htm](http://www.compassidaho.org/prodserv/cms-intro.htm).

---
² Grey highlight indicates illustrative information based on Federal Funding Sources Supplemental.
³ COMPASS Off-the-Top is $331,000 total, and divided between Boise Urbanized Area and Nampa Urbanized Area funds based on 70/30 split in population (Boise Urbanized Area/Nampa Urbanized Area)
Deadline for Obligation of Federal Funds

The deadline for obligation of funding (any phase) is March 1 of the fiscal year for federal funding. A project is considered “obligated” when all necessary paperwork, payments, and/or agreements are reviewed, signed, and approved by the federal agency.

On August 17, 2015, the COMPASS Board of Directors approved the deadline of March 1 for obligations of projects in programs managed by COMPASS:

- Surface Transportation Block Group Program - Transportation Management Area (Boise Urbanized Area)
- Transportation Alternatives Program – Transportation Management Area (Boise Urbanized Area)
- Carbon Reduction Program – Transportation Management Area (Boise Urbanized Area)
- Surface Transportation Block Group Program – Urban (Nampa Urbanized Area)

The Idaho Transportation Department (ITD) “sweeps” unobligated funds in Federal Highway Administration programs near the end of the fiscal year and reprograms those funds to other projects to ensure the state does not lose federal funding.

If a project is unable to be fully obligated by the March 1 deadline, the project sponsor may apply for an extension from the COMPASS Board of Directors. However, there is no guarantee that an extension will be granted.

In addition to the COMPASS obligation deadline of March 1, the following deadlines were established by ITD. These dates apply to all projects, even if granted an extension to the COMPASS March 1 deadline.

- July 1: Deadline for design and right-of-way funds
  - Design:
    - State/local agreement for design
    - Check for required/agreed local match
  - Right-of-way/land acquisition:
    - Design
    - Environmental approval
    - Right-of-way plans

- August 1: Deadline for construction and utility funds
  - Plans, specifications, and engineer's estimate package
  - State/local agreement for construction
  - Check for required/agreed local match
Formal Policies
The COMPASS Board of Directors adopted several policies to guide COMPASS staff and the Regional Transportation Advisory Committee in project selection and program balancing recommendations. These policies are available online (under Regional Transportation Improvement Program):

- Balancing Surface Transportation Program (STP) and Transportation Alternative Program (TAP) Funds
- COMPASS Regional Transportation Improvement Program (TIP) Amendments
- Transportation Management Area (TMA) Funding Eligibility Policy
- Transportation Alternatives Program – Transportation Management Area (TAP-TMA) Program Eligibility

Policies are updated throughout the year. The most up-to-date version of each can be found at the link above.

Internal Procedures
The COMPASS Executive Director approved procedures to provide clarity and guidance to COMPASS staff and member agency staff regarding day-to-day processes. The following procedures are available online (under Regional Transportation Improvement Program):

- COMPASS Procedure for TIP Amendments/Modifications
- COMPASS Procedure for March 1 Deadline for Obligation of Local Federal-Aid Projects
- COMPASS Procedure for Resource Development Plan
- COMPASS Procedure for Project Development Program
- COMPASS Procedure for Communities in Motion Implementation Grant Program

Procedures are updated throughout the year. The most up-to-date version of each can be found at the link above.
