

Leadership in Practice, Professional

Bill Connors President Emeritus Boise Metro Chamber

Bill Connors served as the President and CEO of the Boise Metro Chamber from 2009 – 2023, the longest serving CEO in the chamber's history. Throughout this tenure, Bill has advocated for enhancing all types of transportation infrastructure, including public transportation, air travel, roadways, and long-distance Amtrak rail service.

The evidence of his hard work and advocacy for transportation improvements can be seen throughout the valley. Bill truly embraces the Treasure Valley as a "region," supporting regional projects not only in Boise, but throughout Ada and Canyon Counties. His commitment to fostering connectivity among communities through transportation initiatives is both palpable and commendable.

In addition, under Bill's leadership the chamber has focused on transportation issues at its annual leadership conference, legislative forums, and more, effectively keeping transportation needs at the forefront of regional conversations. The entire Treasure Valley will reap the benefits of Bill's leadership for decades to come.
