

Leadership by Example, Citizen/Volunteer

Winner: David Cannamela, bike commuter

Description:

David Cannamela demonstrates leadership in his dedicated use of alternative transportation – his bicycle – on a daily basis. He commutes to work by bike 21 miles per day, year round – rain or shine, hot or cold – and has commuted approximately 10,000 miles by bike over the past three years.

By using his bike instead of his car, David helps prevent wear and tear on the roads, does not contribute to traffic congestion, helps preserve air quality, and keeps himself in shape.

Mr. Cannamela sets an example for all Treasure Valley residents of what can be done with a little perseverance and dedication.
