

## **Leadership in Practice, Professional**

**Winner:** Sabrina Anderson, Planning and Programs Manager, Ada County Highway District (ACHD)

### **Description:**

Sabrina Anderson leads ACHD's long-range and short-range planning efforts. Her department ensures that future construction of roadways and related improvements in Ada County are planned in advance to best serve the public's needs as the county's population grows.

Her leadership and focus have lead to substantial improvements over many years, and specifically in 2012 have resulted in improvements in accessibility and safety for bicyclists, pedestrians, individuals with disabilities, and school children.
