

Working together to plan for the future

#### REGIONAL TRANSPORTATION ADVISORY COMMITTEE June 22, 2022 - 8:30 a.m. COMPASS, First Floor Board Room 700 NE 2nd Street, Meridian, Idaho

#### ZOOM CONFERENCE CALL

Facebook Live Streaming - <u>https://www.facebook.com/COMPASSIdaho</u> (Subject to availability and functionality of connection.)

**Committee members can participate in the meeting in-person or via Zoom conference call**. The First Floor Board Room is open for in-person attendance but has limited capacity.

Please specify whether you plan to attend in-person or virtually when RSVPing to Teri Gregory at tgregory@compassidaho.org or 208-475-2225.

Written comments may be submitted by email to <u>info@compassidaho.org</u>. Comments can also be left by voicemail. Please call 208-475-2225 to record comments. Commenters must provide their name for the record. Comments identified by name that are received by 5:00 pm on June 21, 2022, will be provided to the committee members and read into the record during the meeting.

Working together to plan for the future

#### REGIONAL TRANSPORTATION ADVISORY COMMITTEE May 25, 2022 COMPASS, First Floor Board Room ZOOM CONFERENCE CALL

#### \*\*DRAFT MINUTES\*\*

#### **ATTENDEES**:

Elizabeth Allen, Canyon County Development Services, via telephone Mark Steuer for Jeff Barnes, City of Nampa, via telephone Aaron Bauges, Idaho Transportation Department, via telephone Lee Belt, City of Greenleaf, Vice Chair, via telephone Clair Bowman, City of Nampa, via telephone Miranda Carson, City of Meridian, via telephone Tom Ferch, Ada County Highway District, via telephone Doug Hanson, City of Kuna, via telephone Kristi Inselman for Ryan Head, Ada County Highway District, via telephone Caleb Hood, City of Meridian, via telephone Stephen Hunt, Valley Regional Transit, in person Liisa Itkonen, COMPASS, Ex. Officio, via telephone Samantha Kenney, Central District Health, Ex. Officio, via telephone Angela Lively, City of Caldwell, via telephone Robb MacDonald, City of Caldwell, via telephone Brian McClure, City of Meridian, via telephone Brent Moore, Ada County Development Services, Chair, via telephone Shawn Nickel, City of Star, via telephone Lenny Riccio, Canyon Highway District No. 4, via telephone Darrell Romine, City of Melba, via telephone Nichoel Baird Spencer, City of Eagle, via telephone Michael Toole, Department of Environmental Quality, via telephone Bill Vaughan, City of Eagle, via telephone Hanna Veal, City of Garden City, via telephone Tina Wilson, City of Parma, via telephone Stacey Yarrington, Ada County Development Services, via telephone

MEMBERS ABSENT:	Rodney Ashby, City of Nampa Becky Crofts, City of Middleton Lara Disney, Public Participation Workgroup Gabe Finkelstein, Boise State University Karen Gallagher, City of Boise Steve Fultz, Canyon County Development Services Tom Laws, Ada County Highway District Leon Letson, Ada County Development Services Dan Lister, Canyon County Development Services Dave Rader, City of Boise Jessica Szelag, City of Boise Bob Watkins, Golden Gate Highway District
OTHERS PRESENT:	Cecilia Arritola, Idaho Transportation Department, via telephone Josie Gallup, COMPASS, in person Ken Kanownik, Local Highway Technical Assistance Council, via telephone Amy Luft, COMPASS, in person Carl Miller, COMPASS, via telephone Joey Schueler, COMPASS, via telephone Matt Stoll, COMPASS, in person Toni Tisdale, COMPASS, via telephone Jason VanGuilder, City of Middleton, via telephone Mary Ann Waldinger, COMPASS, via telephone

#### CALL TO ORDER

Chair Brent Moore called the meeting to order at 8:32 am.

#### **OPEN DISCUSSION/ANNOUNCEMENTS**

Tom Ferch announced that Ryan Head has accepted a position as Deputy Director for Development and Technical Services for the Ada County Highway District (ACHD) and that ACHD is now advertising to fill Ryan's old position as Planning Manager.

Clair Bowman announced that Mark Steuer, Director of Strategic Initiatives, will be the new RTAC representative for the City of Nampa, replacing Jeff Barnes on the committee.

Ken Kanownik, Local Highway Technical Assistance Council, reminded RTAC that applications for the Leading Idaho Bridge Program and the Child Pedestrian Safety Program are due by June 8, 2022.

#### CONSENT AGENDA

#### A. Approve April 27, 2022, RTAC Meeting Minutes

Lenny Riccio moved and Clair Bowman seconded approval of the Consent Agenda, with a correction to a spelling error. Motion passed unanimously.

#### **ACTION ITEMS**

#### A. Recommend Communities in Motion 2050 (CIM 2050) Priorities

Mary Ann Waldinger reviewed six lists of project priorities for CIM 2050. Each list was discussed and recommended individually.

After discussion, Clair Bowman moved and Aaron Bauges seconded to recommend COMPASS Board of Directors' approval of prioritized state system roadway projects needed by 2030 as presented. Motion passed unanimously.

After discussion, **Clair Bowman moved and Tom Ferch seconded to recommend COMPASS Board of Directors' approval of prioritized local system roadway projects needed by 2030 as presented. Motion passed unanimously.** 

After discussion, Stephen Hunt moved and Tina Wilson seconded to recommend COMPASS Board of Directors' approval of unfunded public transportation system priorities, with the clarification that the "Frequent," "Express," and "Secondary" networks be prioritized as priority numbers 2, 3, and 4, respectively, with the "Premium" network remaining as priority number 1, as presented. Motion passed unanimously.

After discussion, Caleb Hood moved and Stacey Yarrington seconded to recommend COMPASS Board of Directors' approval of unfunded regional pathway priorities, as presented, with the correction that Linder Road be shown as in the City of Meridian. Motion passed unanimously.

After discussion, Caleb Hood moved and Tina Wilson seconded to recommend COMPASS Board of Directors' approval of unfunded state and local roadway needs beyond 2030 as presented. Motion passed unanimously.

After discussion, **Tina Wilson moved and Lenny Riccio seconded to recommend COMPASS Board of Directors' approval of unfunded studies**, with the addition of a Northeast Canyon County Connectivity Study and a Boise River Crossing Study in central Canyon County. Motion passed unanimously.

#### B. Recommend Communities in Motion 2050 (CIM 2050) Implementation Policies

Liisa Itkonen reviewed draft CIM 2050 implementation policies, to guide tasks and processes for the implementation of CIM 2050.

Stephen Hunt moved and Tina Wilson seconded to recommend COMPASS Board of Directors' approval of the CIM 2050 implementation policies. Motion passed unanimously.

#### C. Recommend Resolution Modifying the FY2022-2028 Regional Transportation Improvement Program (TIP)

Toni Tisdale reviewed a proposed Board Administrative Modification to the FY2022-2028 TIP to increase the costs of two Idaho Transportation Department Projects.

Clair Bowman moved and Aaron Bauges seconded to recommend that the COMPASS Executive Committee adopt the resolution modifying the FY2022-2028 TIP as presented. Motion passed unanimously.

#### D. Recommend Priorities for the End-of-Year and Redistribution Program

Toni Tisdale reviewed proposed projects for the End-of Year and Redistribution Program.

After discussion, Tom Ferch moved and Nichoel Baird Spencer seconded to recommend COMPASS Board of Directors' approval of the projects including leaving a tie for priority number 1 in the Transportation Management Area, as the tied projects have different funding sources, and breaking a tie for priority number 5 in the Transportation Management Area by prioritizing the projects in the order listed in the packet. Motion passed unanimously.

#### E. Recommend Changes to the Transportation Improvement Program (TIP) Amendment Policy

Toni Tisdale reviewed proposed changes to the TIP Amendment Policy to simplify the TIP amendment process and provide more flexibility in approving cost changes due to inflation.

After discussion, Clair Bowman moved and Aaron Bauges seconded to table action on this item until the June 22, 2022, RTAC meeting. Motion passed unanimously.

#### INFORMATION/DISCUSSION ITEMS

#### A. Safe Streets for All Grant Partnership Opportunities

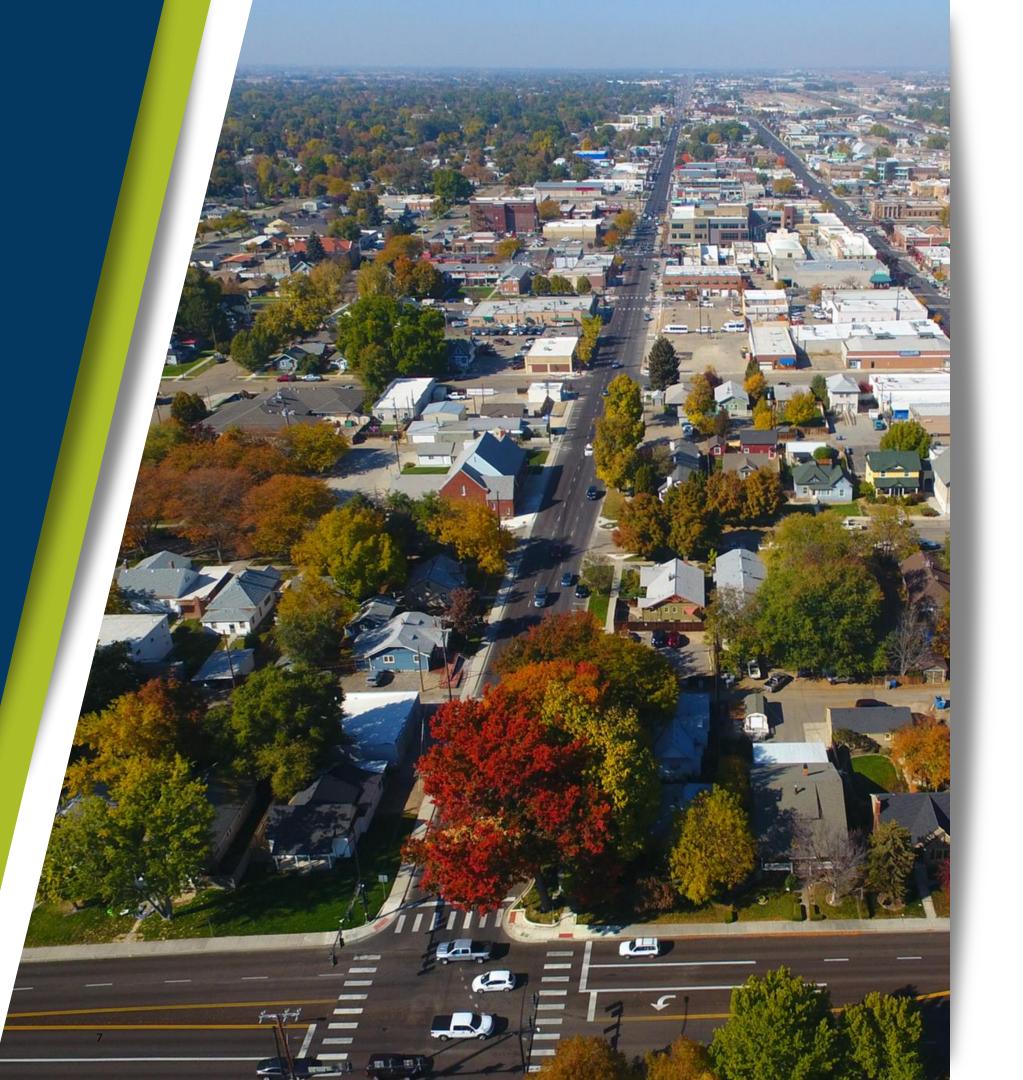

Joey Schueler shared COMPASS' plans to apply for a Safe Streets for All grant to develop a Regional Safety Action Plan and requested feedback from RTAC on opportunities to partner on the application.

Next Meeting: June 22, 2022

#### ADJOURNMENT

Stephen Hunt moved and Nichoel Baird Spencer seconded to adjourn at 10:03 am. Motion passed unanimously.

T:\FY22\800 System Maintenance\820 Committee Support\RTAC\2022 Minutes\Unsigned\minutes\_05252022.docx

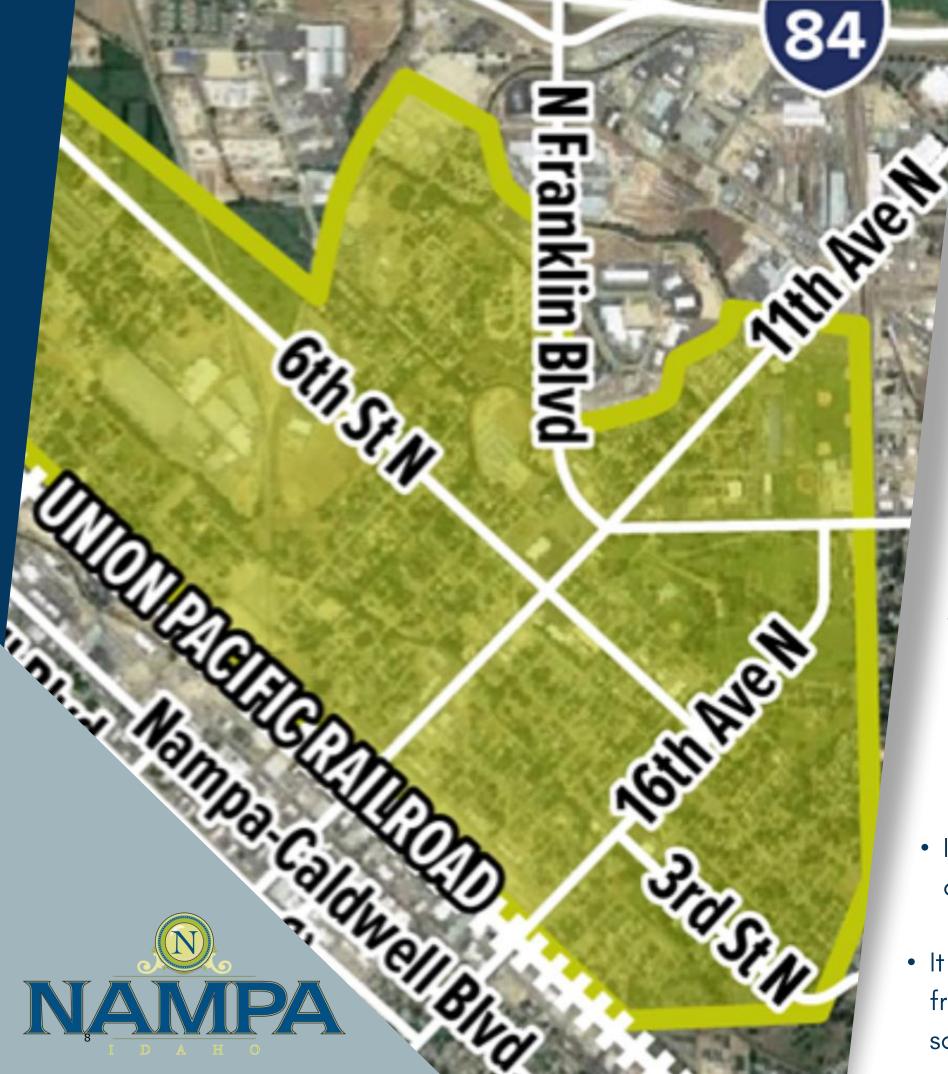

# The Nampa **Raise Project**

**Reconnect Accessibility** and Improving Safety and

### is a recognized opportunity zone and a historic part of Nampa covering nearly 2 square miles.

- into principle & minor arterials
- - Busy railroad tracks to the South
  - Northside Boulevard to the West
- community
- some

• It has slowly disconnected from the various communities of the surrounding area as two north-south roadways have developed

• It is further cut off from the rest of the city and is blocked from Downtown; • Commercial Development North • Substandard railroad under passes to the East

• It is a census tract with persistent poverty and a historically disadvantaged

• It is a food desert, with the closest grocery store being a half mile or more from the neighborhood's nearest perimeter area and as far as two miles for

# Current Conditions

- The existing infrastructure in the neighborhood has deteriorated over time and is in poor conditions
- School crossings and routes in the area need more equitable access because of various safety concerns
- Poor connectivity in the sidewalks forces students to walk unprotected in the roadway
- The existing roadway has a severe crown that is difficult for pedestrians to cross and does not meet ADA requirements
- Majority of intersections do not have curb ramps and some have curbs that are over one-foot tall.

## Current Conditions

- When the neighborhood was originally developed, wide treelined streets were used but have deteriorated over time
- Most sidewalks are in **extremely** poor condition due to age and impacts from mature trees and other vegetation
- The current sidewalks are narrow with many gaps in the foundation
- The gaps combined with the poor condition of existing walkways, inhibits the mobility of many residents in the neighborhood
- Challenges with roadway geometry, right-of-way, and costs have limited the ability to upgrade facilities

### Increase connectivity and mobility for non-vehicular travelers

Reconnect this once vibrant with the rest of Nampa and the greater Treasure Valley

#### A Safer Community

Canyon County has the second highest crash rate in the State of Idaho with over 1,000 crashes each year. The North Nampa Neighborhood has had over 300 crashes in the last 6 years. 12 of those have been bike and pedestrian crashes – all injury crashes.

This project will improve pedestrian and bicyclist safety with thousands of feet of sidewalk infill, ADA ramp upgrades, new shared use path facilities, and crossing upgrades.

σ BIV

Sid

£

00

Railtoad

ale

#### **Reducing Our Carbon Footprint**

The North Nampa Neighborhood is an area of persistent poverty and a historically disadvantaged community. Many of the residents don't have access to vehicles. This project will develop plans to connect the community to the rest of Nampa and the Treasure Valley with regional and local public transit hubs. Residents will have full sidewalk access from anywhere in the neighborhood to the planned transit locations. The transit locations will also feature park and ride areas as well as electric vehicle charging opportunities.

A new 1.6 mile extension of the Indian Creek Pathway will also provide regional connections to pathways throughout Nampa, Canyon County, and Southwest Idaho.

#### Improving Quality of Life

The North Nampa Neighborhood is an area of persistent poverty and a food desert. The nearest grocery store is at least a half mile from the perimeter of the neighborhood. New public transit stops will connect residents to basic amenities they currently cannot easily access without a vehicle. A new pedestrian bridge over the railroad at the southern edge of the neighborhood will connect residents to the farmers market location for the city as well. General beautification of the area with new sidewalks, ADA improvements, lighting, and other general streetscape improvements will improve the neighborhood ambiance and safety as well.

#### **Connecting a Community**

The North Nampa Neighborhood was one of the original neighborhoods in Nampa and has been slowly cutoff from the rest of Nampa ever since it's inception. It is sandwiched between two very busy arterials on it's east and west borders, a busy railroad to the south, and rapidly growing commercial/industrial development to the north. New pathways, a new pedestrian bridge to downtown, and transit stop will reconnect this historic neighborhood to the rest of Nampa and the greater Treasure Valley region.

Getting People to Work Through this project, residents in this disadvantaged corner of Nampa will have access to public transit to get to jobs throughout Nampa and Canyon County and clear into Boise.

**Downtown Nampa** 

Railroad

 $\odot$ 

#### Improving Existing Facilities

The North Nampa Neighborhood is home to the only poorly rated bridge in Nampa. This project will replace that bridge which has substandard barrier and wooden sidewalks with a new bridge that meets today's standards and features safe and accessible pedestrian facilities. Substandard railroad underpass bridges will also be addressed with this project. These bridges have been repeatedly damaged due to extremely low vertical clearance. 16 crashes have occurred at these bridges in the last 6 years. This project will also address non-compliant curb ramps and sidewalk throughout the neighborhood as well as address poor pavement quality throughout the neighborhood.

#### Innovation

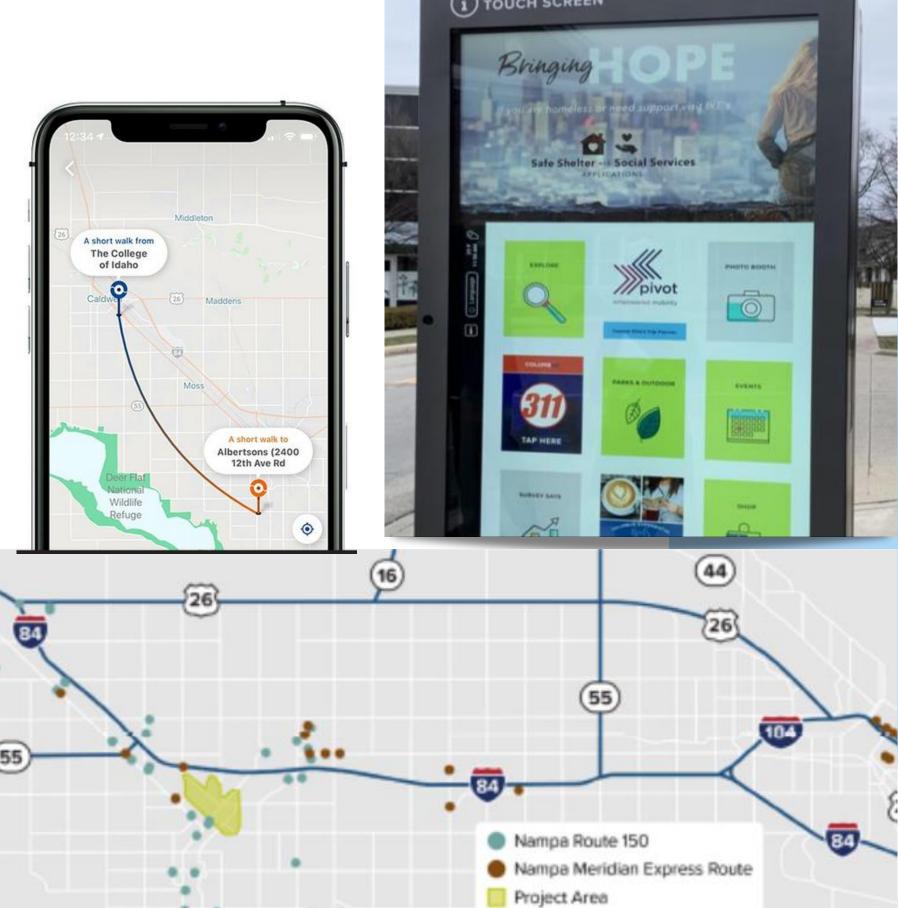

The early phases of this project will utilize innovative practices to identify crossing improvement locations by identifying near miss pedestrian crashes. Improvements will also be phased in short, medium, and long-term projects. Plan packages will be developed based on improvement prioritization and available funding to ensure that projects will get constructed.

# **Creating New Transit Opportunities**

### Public transit opportunities to connect residents with other part of Nampa and the Treasure Valley will be evaluated.

- Recommended locations will be identified for improving existing bus stops as well as constructing park & ride mobility hubs
- The viability of mobility kiosks will be assessed
- These kiosks are intended to allow users to request service through the VRT OnDemand App, request other transportation services, utilize mapping and wayfinding solutions, and request emergency services

### LINDEN TRANSIT CENTER

(i) TOUCH SCREEN

### 14th Avenue Pedestrian & Cyclist Bridge The Union Pacific rail yard cuts off the entire North Nampa

Neighborhood from the adjacent Downtown area.

- Pedestrians can only travel into downtown along two limited and narrow routes.
  - 11th Avenue & 16th Avenue
  - Both are busy roadways that experience a lot of traffic through a given day
- A new bridge for pedestrians and cyclists at the southern limits of 14th Avenue and a bike boulevard will provide a safe crossing directly into the Downtown Nampa business area as well as provide access from Downtown to the Neghborhood, Lakeview Park, and beyond

# THANK YOU

#### RTAC AGENDA ITEM V-A June 22, 2022

#### Topic: Modification to the FY2022-2028 Regional Transportation Improvement Program (TIP)

#### Request/Recommendation:

COMPASS staff requests RTAC recommendation of COMPASS Board of Directors' adoption of Resolution 19-2022 (attached), modifying the FY2022-2028 TIP to significantly increase the cost of two projects and decrease the cost of one project, as requested by the Idaho Transportation Department (ITD).

#### Background/Summary:

The ITD public transportation division requested a significant cost increase to one project included in Amendment #3 (approved in May 2022), to award closer to the requested amount. The full year apportionment for FY2022, which resulted in greater funding availability, was released after project funding level was recommended.

The ITD bonding division requested a significant cost increase to one project as well as the release of funds from one project in the COMPASS planning area.

These changes are described below.

- Key Number NEW04 Transit Purchase of Service, Rural Areas, Valley Regional Transit
  - Increase of \$166,000 (133%)
  - To increase award to better meet funding request
- Key Number 20788 State Highway 16, Interstate 84 to US 20/26 and State Highway 44, Ada and Canyon Counties
  - Decrease of \$25,000,000 (-17%)
- Key Number 23409 State Highway 16, Franklin Road to Ustick Road, Canyon County
  - Increase of \$39,108,000 (112%)
  - To cover final engineer's estimate and prepare project to go to bid
  - Partially funded through the release of funds from Key Number 20788

#### Implication (policy and/or financial):

The modification to the TIP ensures that the document continues to meet federal fiscal constraint requirements and enables the release of funds on one project and work to begin as soon as funds are available on two projects.

#### RESOLUTION NO. 19-2022

#### FOR THE PURPOSE OF MODIFYING THE FY2022-2028 REGIONAL TRANSPORTATION IMPROVEMENT PROGRAM

**WHEREAS**, the Community Planning Association of Southwest Idaho (COMPASS) has been designated by the Governor of Idaho as the metropolitan planning organization responsible for transportation planning in Ada and Canyon Counties;

WHEREAS, the Infrastructure Investment and Jobs Act (IIJA), Title 23 United States Code Section 134, and Title 49 United States Code Section 5303 require metropolitan planning organizations to develop and approve a transportation improvement program;

**WHEREAS**, the IIJA, Title 23 United States Code Section 134, and Title 49 United States Code Section 5303 require projects contained in the transportation improvement program to be financially constrained;

**WHEREAS**, the IIJA, Title 23 United States Code Section 134, and Title 49 United States Code Section 5303 require the transportation improvement program be developed and amended in consultation with all interested parties;

**WHEREAS**, the Community Planning Association of Southwest Idaho desires to take timely action to ensure the availability of federal funds;

**WHEREAS**, the Community Planning Association of Southwest Idaho developed this Board Administrative Modification to the FY2022-2028 Regional Transportation Improvement Program in compliance with all applicable state and federal regulations; and

**WHEREAS**, the attached table details the modification to the FY2022-2028 Regional Transportation Improvement Program.

**NOW**, **THEREFORE**, **BE IT RESOLVED**, that the Community Planning Association of Southwest Idaho Board of Directors approves the modification to the FY2022-2028 Regional Transportation Improvement Program.

**ADOPTED** this  $27^{TH}$  day of June 2022.

#### RTAC AGENDA ITEM V-B June 22, 2022

#### Topic: Modification to the FY2022-2028 Regional Transportation Improvement Program (TIP)

#### Request/Recommendation:

COMPASS staff requests RTAC recommendation of COMPASS Executive Committee's adoption of Resolution X-2022 (attached), modifying the FY2022-2028 TIP to significantly increase the cost of one project, as requested by the Idaho Transportation Department (ITD).

#### Background/Summary:

ITD requested to increase the cost of the US 20/26, Interstate 84 to Middleton Road, project to cover the bid. The change is described below.

- Key Number 22165 US 20/26, Interstate 84 to Middleton Road
  - Increase of \$7,270,183 (14%)
  - Increase cost based on actual bid

It is critical to be able to obligate funds immediately; therefore, ITD staff requested expedited approval of the modification. COMPASS staff will request approval of this action by the COMPASS Executive Committee on July 12, 2022, followed by a request to ratify the approval by the full COMPASS Board of Directors on August 15, 2022.

#### Implication (policy and/or financial):

The modification to the TIP ensures that the document continues to meet federal fiscal constraint requirements and enables work to begin as soon as funds are available.

#### **RESOLUTION NO. X-2022**

#### FOR THE PURPOSE OF MODIFYING THE FY2022-2028 REGIONAL TRANSPORTATION IMPROVEMENT PROGRAM

**WHEREAS**, the Community Planning Association of Southwest Idaho (COMPASS) has been designated by the Governor of Idaho as the metropolitan planning organization responsible for transportation planning in Ada and Canyon Counties;

WHEREAS, the Infrastructure Investment and Jobs Act (IIJA), Title 23 United States Code Section 134, and Title 49 United States Code Section 5303 require metropolitan planning organizations to develop and approve a transportation improvement program;

**WHEREAS**, the IIJA, Title 23 United States Code Section 134, and Title 49 United States Code Section 5303 require projects contained in the transportation improvement program to be financially constrained;

**WHEREAS**, the IIJA, Title 23 United States Code Section 134, and Title 49 United States Code Section 5303 require the transportation improvement program be developed and amended in consultation with all interested parties;

**WHEREAS**, the Community Planning Association of Southwest Idaho desires to take timely action to ensure the availability of federal funds;

**WHEREAS**, the Community Planning Association of Southwest Idaho developed this Board Administrative Modification to the FY2022-2028 Regional Transportation Improvement Program in compliance with all applicable state and federal regulations; and

**WHEREAS**, the attached table details the modification to the FY2022-2028 Regional Transportation Improvement Program.

**NOW**, **THEREFORE**, **BE IT RESOLVED**, that the Community Planning Association of Southwest Idaho's Executive Committee approves the modification to the FY2022-2028 Regional Transportation Improvement Program.

**ADOPTED** this  $12^{TH}$  day of July 2022.

#### RTAC AGENDA ITEM V-C Date: June 22, 2022

#### Topic: Regional Transportation Improvement Program Amendment Policy

#### Request/Recommendation:

COMPASS staff seeks Regional Transportation Advisory Committee (RTAC) recommendation of COMPASS Board of Directors' approval of an update to Policy No. Board 2020-01, COMPASS Regional Transportation Improvement Program (TIP) Amendments (attached).

This item was tabled at the May 25, 2022, RTAC meeting to allow additional time for RTAC members to review the revised policy. Only minor grammatical changes have been made to the revised policy since it was presented in May.

#### Background/Summary:

27

Policies direct staff and RTAC on matters related to management and operations of programs within the TIP. At the March 30, 2022, RTAC meeting, Idaho Transportation Department (ITD) staff requested that COMPASS staff review the TIP Amendment Policy and make recommendations to make the policy more flexible when updating costs based on economic conditions.

The current policy states that COMPASS Board of Directors must approve any cost increase more than \$2 million or 30% of the total cost, whichever is less. However, with new funding opportunities, many projects are underway that are much larger and more expensive than the region has seen historically. With these large projects, a small increase in the percentage cost of a project results in a large dollar amount, triggering the need for COMPASS Board action and delaying projects. This is exacerbated by the current significant inflation, which is causing large cost increases without any changes to the projects themselves. Staff recommends changes to the TIP Amendment Policy to address this issue and proposes other changes to simplify the overall amendment process.

Two versions of the policy are provided in the attachment – one version with changes tracked and one "clean" version of the revised document. A summary of the policy and recommended significant changes is below. Some minor changes are also included in the attached policy for correction or clarification that are not listed below. Number references refer to numbers in the current policy.

#### • Change Treatment of Non-Federal Regionally Significant Projects

- In the past all regionally significant projects were treated the same regardless of funding source. It is recommended that regionally significant projects without federal funding be treated the same as federal-aid projects for <u>amendments</u> (add, remove, significant scope change), but <u>changes</u> to these types of projects be processed through a staff administrative modification with COMPASS Executive Director approval.
  - The exception would be if the COMPASS Executive Director feels that COMPASS Board of Directors' action is warranted.

#### • Change Criteria

- Adding small projects Number 1
  - Would change the criteria for requiring public involvement to allow new projects that are continuations of existing projects or services (such as vehicle replacements or operations projects) or small projects less than \$200,000 to be added without public involvement.
    - Board of Directors' action would still be required.
- Board action for increases Number 7
  - Would keep the same dollar/percentage thresholds for action on cost increases but alter the trigger requiring action by the COMPASS Board of Directors to include only those project increases <u>due to minor changes to the scope of work</u>; other increases would be approved by the COMPASS Executive Director through a staff administrative modification.
  - Would allow cost changes due to new engineer's estimates or inflationary corrections (e.g., no change to the project scope) to be approved by the COMPASS Executive Director no matter the dollar amount or percentage increase.
- o Increase in project phase Number 9
  - Would simplify the process to allow any cost increase, other than those requiring Board of Directors' approval (Number 7), to be approved by the COMPASS Executive Director.
- Release of funds Number 16
  - Would simplify the process from requiring COMPASS Executive Director approval to release funds to allowing staff to release funds with no action. If the project is in a local program, the released funds would be included in a balancing action to move the funds to other projects. The requests will remain in a documentation file.

#### • Remove Criteria:

- Transfers between federal agencies Number 6
  - Remove; criterion not needed. Would allow for transferring funds between federal agencies to occur without Board of Directors' action. Currently, Board action is required if funds are transferred between the Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA). However, the *Communities in Motion 2050* Funding Policy supports using FHWA funding for public transportation projects. Additional Board approval for transfers that follow the intent of this Board-approved policy seems overly burdensome.
- Conversion of local funds to federal-aid funds Number 8
  - Remove; criterion not needed. The intent of most projects including local funding is to convert the local funds to federal-aid funds, if possible, unless specified in the application that local funds will cover a particular part of the project. This type of conversion takes place during the balancing process and is covered under the Transportation Management Area Balancing Policy (No. Board 2021-01) approved by the COMPASS Board of Directors.
- Catch all Number 17
  - Remove; criterion not needed. Current policy states that any changes not specifically listed do not trigger an amendment. If not specifically listed, the minimum action to process a change will be a staff administrative modification, or the COMPASS Executive Director could choose to process any action at a higher level.

#### Next Steps:

With RTAC's recommendation, COMPASS staff will seek COMPASS Board of Directors' approval of the revised policy on August 15, 2022.

#### Implication (policy and/or financial):

The recommended policy updates will help ensure clarity and transparency in funding recommendations and decisions, as well as expedite processing cost changes.

#### More Information:

- 1) Attachment: Policy 2020-01, COMPASS Regional Transportation Improvement Program (TIP) Amendments, with recommended changes (two versions with and without tracked changes)
- 2) For detailed information contact: Toni Tisdale, Principal Planner, at 208/475-2238 or ttisdale@compassidaho.org.

#### POLICY STATEMENT

#### No. Board 2020-012022-02

Adopted:	<del>April 20, 2020</del>
By:	COMPASS Board of Directors
Last Revision:	February 25, 2019April 20, 2020

#### Policy Statement:

#### COMPASS Regional Transportation Improvement Program (TIP) Amendments

#### Background:

COMPASS updates the TIP on an annual basis, similar to the Idaho Transportation Department's (ITD's) Statewide Transportation Investment Program (STIP) update schedule. COMPASS works closely with ITD, Valley Regional Transit, and member agencies to keep the TIP as accurate as possible throughout the fiscal year, as changes to projects are certain to occur.

#### Process:

Changes are processed either through an amendment, which requires approval by the COMPASS Board of Directors and possibly public involvement, depending on the nature of the change,; a Board administrative modification, which requires approval by the COMPASS Board of Directors; or an staff administrative modification, which requires approval by the COMPASS Executive Director.

- Amendments
  - Triggered by:
    - Notification of changes from ITD, the Local Highway Technical Assistance Council (LHTAC), or Valley Regional Transit
    - Balancing actions, following Urban or Transportation Management Area (TMA) <u>b</u>Balancing Gguidelines
  - Other considerations:
    - Could require notification of the Interagency Consultation Committee, if change triggers an amendment to the air quality conformity demonstration – up to 60 days
    - Could require a public comment period open for <u>a</u> minimum <u>of 15</u> days
      - Public comment follows the procedures outlined in the Integrated Communication PlanCOMPASS Participation Plan
- Administrative Modifications
  - Triggered by:
    - Notification of changes from ITD, LHTAC, or Valley Regional Transit
    - Balancing actions, following Urban or TMA <u>b</u>Balancing Gguidelines

Other considerations:

- Included as information item in next COMPASS Board packet
- Emailed to <u>the</u> Regional Transportation Advisory Committee

For the purposes of TIP amendments, state or locally funded "regionally significant<sup>1</sup>" projects are treated the same as federal-aid projects. Changes to projects with no federal funding are processed as staff administrative modifications and are approved by the COMPASS Executive Director unless the Executive Director determines a change warrants review and action by the COMPASS Board of Directors, based on the nature of the change.

Changes to projects obligated in previous years, but not included in the current TIP, will be processed as existing projects.

The process matrix on the next page provides criteria to determine how to amend the TIP as well as how to process a requested change to the TIP.

#### Previous Policy:

This policy replaces the TIP Amendment Policy approved by the COMPASS Board of Directors on February 25, 2019April 20, 2020, policy number Board 2019-022020-01.

design phase), may be completed with no official action, if there is no change in total cost.

<sup>&</sup>lt;sup>6</sup> ITD changes for the <u>eEnd-of-<del>yY</del></u>ear <u>and Redistribution</u> program <del>and redistribution</del> could fluctuate until the last minute. This policy allows for waiver of possible amendment criteria in order to allow flexibility at the end of the fiscal year. The COMPASS Board of Directors will be notified of action via email.

<sup>&</sup>lt;sup>7</sup> Emergency situation to be determined by COMPASS Executive Director. An example: action taken to begin work on a project due to extenuating circumstances, such as damage to a facility due to extreme weather or a vehicle crash. The COMPASS Board of Directors will be notified of action via email. <sup>8</sup> Moving funds between parts of a specific phase, such as between preliminary engineering (PE) and preliminary engineering consultant (PC) (both part of the

#### POLICY STATEMENT

No. Board 2022-02

Adopted:By:COMPASS Board of DirectorsLast Revision:April 20, 2020

#### Policy Statement:

#### COMPASS Regional Transportation Improvement Program (TIP) Amendments

#### Background:

COMPASS updates the TIP on an annual basis, similar to the Idaho Transportation Department's (ITD's) Statewide Transportation Investment Program (STIP) update schedule. COMPASS works closely with ITD, Valley Regional Transit, and member agencies to keep the TIP as accurate as possible throughout the fiscal year, as changes to projects are certain to occur.

#### Process:

Changes are processed through an amendment, which requires approval by the COMPASS Board of Directors and public involvement; a Board administrative modification, which requires approval by the COMPASS Board of Directors; or a staff administrative modification, which requires approval by the COMPASS Executive Director.

- Amendments
  - Triggered by:
    - Notification of changes from ITD, the Local Highway Technical Assistance Council (LHTAC), or Valley Regional Transit
    - Balancing actions, following Urban or Transportation Management Area (TMA) balancing guidelines
  - Other considerations:
    - Could require notification of the Interagency Consultation Committee, if change triggers an amendment to the air quality conformity demonstration – up to 60 days
    - Could require a public comment period open for a minimum of 15 days
      - Public comment follows the procedures outlined in the COMPASS Participation Plan
- Administrative Modifications
  - Triggered by:
    - Notification of changes from ITD, LHTAC, or Valley Regional Transit
    - Balancing actions, following Urban or TMA balancing guidelines

Other considerations:

- Included as information item in next COMPASS Board packet
- Emailed to the Regional Transportation Advisory Committee

For the purposes of TIP amendments, state or locally funded "regionally significant<sup>1</sup>" projects are treated the same as federal-aid projects. Changes to projects with no federal funding are processed as staff administrative modifications and are approved by the COMPASS Executive Director unless the Executive Director determines a change warrants review and action by the COMPASS Board of Directors, based on the nature of the change.

Changes to projects obligated in previous years, but not included in the current TIP, will be processed as existing projects.

The process matrix on the next page provides criteria to determine how to amend the TIP as well as how to process a requested change to the TIP.

#### **Previous Policy:**

This policy replaces the TIP Amendment Policy approved by the COMPASS Board of Directors on April 20, 2020, policy number Board 2020-01.

11. ITD changes through the End-of-Year program and redistribution <sup>6</sup>			Х	

<sup>&</sup>lt;sup>2</sup> If the sponsoring agency has already solicited public comment on the project, an additional public comment period may not be required. The need for public comment is determined by the COMPASS Executive Director after review of a description of the sponsoring agency's process. If approved by the Executive Director, a description of the sponsoring agency's public comment process and comments received will be provided with the action.

<sup>4</sup> Definition of "significant"

- Public transportation: change in use of funds, such as changing from a capital project to an operations project.
- If significance is unclear, the COMPASS Executive Director will determine.

<sup>6</sup> ITD changes for the End-of-Year and Redistribution program could fluctuate until the last minute. This policy allows for waiver of possible amendment criteria in order to allow flexibility at the end of the fiscal year. The COMPASS Board of Directors will be notified of action via email.

<sup>&</sup>lt;sup>3</sup> Adding new projects that are a continuation of an existing projects or services (such as vehicle replacement or operations for public transportation or highway operations projects, such as striping or signage) or a project less than \$200,000, do not require public involvement.

Construction: termini change greater than ¼ mile, or scope change that is inconsistent with the National Environmental Policy Act (NEPA) documentation or will alter the NEPA determination, or that would be functionally different from current expectations, such as a change in multi-modal improvements, increase or decrease in number of lanes, or change the type of intersection (traditional vs. roundabout).

<sup>&</sup>lt;sup>5</sup> A "Suite of Projects" includes projects that started as one key number for improvements to an overall corridor and later was split into multiple key numbers for efficiency in design and management.

Process Matrix				
Type of Action	Amendment	Board Administrative Modification	Staff Administrative Modification	Other
Action Required	BOARD ACTION (Includes Public Involvement <sup>2</sup> )	BOARD ACTION (No Public Involvement)	STAFF ACTION (No Board Action and No Public Involvement)	No Action Needed
Type of Funding	Federal, non- federal	Federal, non- federal, if warranted	Federal, non- federal	Federal, non- federal
12. Action for an emergency situation <sup>7</sup>			Х	
13. Changes needed during the construction phase of a project. If project has a change in scope, the request will be forwarded to the COMPASS Board of Directors for review (three working days) prior to approval through a Staff Administrative Modification, if there are no concerns, with the intent to keep construction activities underway.			х	
14. Release of funds on any project at the request of the sponsor				Х
15. Spelling or grammatical corrections				Х
<ol> <li>Add detail or clarification to the description, if the scope of the project is not affected</li> </ol>				Х
<ol> <li>Change match rate, if the total is not affected by the change (if total cost changes, follow thresholds criteria in #6)</li> </ol>				х
18. Change status of informational items (such as inflation, performance measure, funding allocation, or project type)				х
19. Clarify title of the project if scope is not affected				Х
20. Move funds within a phase <sup>8</sup> of a project, with no change to phase total				Х

T:\FY22\600 Projects\685 TIP\Policies\TIPAmendPolicy-DRAFT.docx

<sup>&</sup>lt;sup>7</sup> Emergency situation to be determined by COMPASS Executive Director. An example: action taken to begin work on a project due to extenuating circumstances, such as damage to a facility due to extreme weather or a vehicle crash. The COMPASS Board of Directors will be notified of action via email. <sup>8</sup> Moving funds between parts of a specific phase, such as between preliminary engineering (PE) and preliminary engineering consultant (PC) (both part of the design phase), may be completed with no official action, if there is no change in total cost. 37

# RTAC AGENDA ITEM VI-A DATE: June 22, 2022

## Topic: Draft FY2023-2029 Regional Transportation Improvement Program (TIP) Project List

#### Request/Recommendation:

This is an information item only.

#### Background/Summary:

The TIP is a short-term (five-to-seven year) budget of federally funded and regionally significant transportation projects in Ada and Canyon Counties. It is updated annually, with a public involvement period in the summer and approval by the COMPASS Board of Directors in the fall. In preparation for public comment on the draft FY2023-2029 TIP, the draft project list is attached for your review in three formats. The first two include all projects (new, existing, and changed), while the third lists major changes (as compared to the FY2022-2028 TIP) and new projects only. Please note that changes are still being made; the information provided is as of June 8, 2022.

- <u>Draft FY2023-2029 TIP Detailed Project List</u> provides funding details and a description of each project.
  - Provided on the COMPASS website under "supplemental information" at <u>www.compassidaho.org/documents/people/rtac/2022/220608DRAFT 23 29 TIP Detail.pdf</u> (92 pages).
- <u>Draft FY2023-2029 TIP Basic Project List (Attachment 1)</u> provides a summarized version of each project.
- <u>Major Changes List (Attachment 2)</u> provides a summary of new or removed projects, projects with advanced or delayed construction, and projects with major changes in scope, as compared to the FY2022-2028 TIP.
  - The Major Changes List will be updated in a red-line format and forwarded via email prior to public comment.
- <u>Acronym List</u> (Attachment 3) acronyms used in the project names to make them fit within available space.

In addition, COMPASS staff maintains summarized worksheets for balancing purposes for each of the following programs:

- Surface Transportation Block Grant (STBG) in the Boise and Nampa Urbanized Areas
- Transportation Alternatives Program (TAP) in the Boise Urbanized Area
- Federal Transit Administration (FTA) programs in the Boise and Nampa Urbanized Areas

These worksheets are available upon request for a detailed programmatic review of projects.

Notes:

38

Key numbers for new projects are temporary and start with the letters "ORN" (for Office
of Transportation Investment reference number). Some ORN numbers are not yet
available, and the key number may simply say "new" until an official number is assigned.

- Some projects use local agency key numbers, as they are locally funded and not included in the Idaho Transportation Department's tracking system but are regionally significant. These key numbers typically start with an alphabetical reference (e.g., RD2016-05).
- When construction for a project is beyond the first five years of the TIP, the year of construction is not always known. In those cases, you will see "PD" (for "preliminary development") instead of a specific project year. This serves as a placeholder until a project year is known.
- The "TIP Achievement" and "Regionally Significant" sections are not yet finalized.
- COMPASS staff is still developing maps and graphics.

Next Steps:

- June 27, 2022 Draft FY2023-2029 TIP presented to the COMPASS Board of Directors for review
- July 15, 2022 Deadline for member agency comments
  - Send your comments or questions via email to Toni Tisdale at the address below
- August 15 through September 13, 2022 Public comment period
  - September 7, 2022 Open house; COMPASS First Floor Board Room, 3:00 to 6:00 p.m.
     Member agency staff are invited to present project updates
- September 22, 2022 Idaho Transportation Board requested to adopt the FY2023-2029 Idaho Transportation Investment Program
- September 28, 2022 RTAC requested to recommend COMPASS Board of Directors' adoption of the FY2023-FY2029 TIP
- October 17, 2022 COMPASS Board of Directors requested to adopt the FY2023-2029 TIP

The FY2023-2029 TIP will not be official until adopted by the COMPASS and Idaho Transportation Boards and approved by Federal Highway and Federal Transit Administrations. The current FY2022-2028 TIP will remain in effect until final approval of the FY2023-2029 TIP, which is anticipated by December 31, 2022.

Agencies with new projects or major changes to current projects in the FY2023-2029 TIP cannot act on those changes until federal approval of the FY2023-2029 TIP is obtained. However, an amendment to the FY2022-2028 TIP may be processed for actions that need to occur in the first quarter of FY2023, prior to federal approval.

## More Information:

- 1) Attachment 1 Draft FY2023-2029 TIP Basic Project List
- 2) Attachment 2 Draft FY2023-2029 TIP Major Changes List
- 3) Attachment 3 Acronym List
- 4) Draft FY2023-2029 TIP Detailed Project List www.compassidaho.org/documents/people/rtac/2022/220608DRAFT\_23\_29\_TIP\_Detail.pdf
- 5) For detailed information contact: Toni Tisdale, Principal Planner, at ttisdale@compassidaho.org.

#### Major Changes List Draft FY2023-2029 Regional Transportation Improvement Program (TIP)

For this report, "major changes" are defined as new or removed projects, projects with advanced or delayed construction, and projects with major changes in scope, as compared to the FY2022-2028 TIP. Projects are listed in alphabetical order of project name by funding program.

#### **Bridge Preservation/Restoration**

Key Number	Project	Year of Funding	Total Programmed Cost
Delayed			
13494	Old Highway 30, Plymouth Street Bridge, Caldwell*	FY2023 to FY2027	\$9,909,000
الالتيمين ممامم بالم	inte funding an unage		

\*Includes multiple funding sources.

#### Freight

Key Number	Project	Year of Funding	Total Programmed Cost
New			
ORN23080	I-84, Franklin Road Interchange to Karcher Road Interchange – West, Nampa	PD	\$8,633,000
ORN23731	Northside Boulevard and Karcher Road, Intersection Improvements, Nampa	PD	\$5,370,000

#### Local Highway Local Partnerships (Local Funds)

Key Number	Project	Year of Funding	Total Programmed Cost
New			
ORN23833	Access to Opportunity, Boise and Garden City*	PD	\$15,908,000
RD203-04	Five Mile Road, Overland Road to Franklin Road, Boise	PD	\$18,145,000
102497	Franklin Road, McDermott Road to Black Cat Road, Ada County	PD	\$6,995,000
200919	Ustick Road, Black Cat Road to Ten Mile Road, Meridian	2024	\$4,686,000
IN210-03	State Street, Hertford Way to Ellens Ferry, Boise	FY2026	\$8,555,000
203719	Ustick Road, Star Road to McDermott Road, Ada County	PD	\$5,677,000
Delayed			
RD216-04	Eagle Road, Lake Hazel Road to Amity Road, Meridian	FY2023 to FY2024	\$6,030,000
RC0133	Fairview Avenue, Locust Grove Road to SH-55 (Eagle Road), Meridian	FY2023 to FY2025	\$4,700,000
RD207-29	Lake Hazel Road, Cloverdale Road to Five Mile Road, Ada County	FY2025 to PD	\$5,753,000
RD209-18	Lake Hazel Road, Eagle Road to Cloverdale Road, Ada County	FY2024 to FY2026/2027	\$12,584,000
RD209-28	Linder Road, SH-44 (State Street) to Floating Feather Road, Eagle	FY2024 to FY2026/2027	\$8,393,000
RD207-01	Orchard Street Realignment, Gowen Road to Victory Road, Boise	FY2024 to FY2026/2027	\$22,434,000

\*Design is proposed under TMA funding; right-of-way and construction are proposed under local funding while seeking federal funding.

# Local Highway Rural (Federal Funds)

Key Number	Project	Year of Funding	Total Programmed Cost
Advanced			
19951	Highway 30, Sand Hollow Road to SH-44, Canyon County	PD to FY2027	\$3,418,000
Delayed			
13964	Peckham Road, US-95 to Notus Road, Canyon County	FY2022 to FY2023	\$3,595,000

## Local Highway Transportation Management Area (TMA) (Federal Funds)

Key Number	Project	Year of Funding	Total Programmed Cost
New			
ORN23833	Access to Opportunity, Boise and Garden City*	PD	\$15,908,000

## Acronyms used in FY2023-2029 Regional Transportation Improvement Program Project List:

ACHD	Ada County Highway District					
ADA	Americans with Disabilities Act					
COMPASS	Community Planning Association of Southwest Idaho					
FHWA	Federal Highway Administration					
FTA	Federal Transit Administration					
FY	Fiscal Year					
I	Interstate					
IN	Part of an ACHD key number					
ITD	Idaho Transportation Department					
ITS	Intelligent Transportation Systems					
KN	Key number					
MPO	Metropolitan Planning Organization					
MS4	Municipal Separate Storm Sewer System					
NEPA	National Environmental Policy Act					
ORN	Office of Transportation Investment Systems (OTIS) Reference Number					
ΟΤΙS	Office of Transportation Investment Systems					
PD	Preliminary Development					
RD	Part of an ACHD key number					
SH	State Highway					
SR2S	Safe Routes to School					
TDM	Transportation Demand Management					
TSMO	Transportation System Management and Operations					
тут	Treasure Valley Transit					
US	United States (Highway)					
VRT	Valley Regional Transit
