

# REGIONAL TRANSPORTATION ADVISORY COMMITTEE March 16, 2022 - 8:30 a.m. COMPASS, 1st Floor Board Room 700 NE 2nd Street, Meridian, Idaho

#### **ZOOM CONFERENCE CALL**

Facebook Live Streaming - <a href="https://www.facebook.com/COMPASSIdaho">https://www.facebook.com/COMPASSIdaho</a> (Subject to availability and functionality of connection.)

**Committee members can participate in the meeting in-person or via Zoom conference call.** The 1st Floor Board room is open for in-person attendance, but has limited capacity. In-person attendees must maintain physical distance and should wear a mask at all times in the COMPASS building, if not fully vaccinated.

Written comments may be submitted by email to <a href="info@compassidaho.org">info@compassidaho.org</a>. Comments can also be left by voicemail. Please call 208-475-2232 to record comments. Commenters must provide their name for the record. Comments identified by name that are received by 10:00 am on March 16, 2022, will be provided to the Committee members and read into the record during the meeting.

\*\*AGENDA\*\*

- I. CALL TO ORDER (8:30)
- II. OPEN DISCUSSION/ANNOUNCEMENTS
- III. <u>CONSENT AG</u>ENDA
- Page 3 \*A. Approve February 23, 2022, RTAC Meeting Minutes
- IV. ACTION ITEM
- \*A. Prioritize and Recommend Member Agencies' Requests for Liisa Itkonen FY2023 Unified Planning Work Program (UPWP)
- Liisa Itkonen will request RTAC prioritization of member agencies' requests for FY2023

  UPWP and recommendation for Finance Committee consideration.
- \*B. Recommend Consideration of High-Capacity Transit Lila Klopfenstein
  Page 8 Planning and Environmental Linkages (PEL) Study for the
  FY2023 UPWP and Draft FY2023-2029 Regional Transportation Improvement
  Program TIP

Lila Klopfenstein will seek RTAC recommendation for COMPASS Board of Directors' consideration of a high-capacity transit planning task for FY2023 UPWP and draft FY2023-2029 TIP.

## 9:10 \*C. Recommend Adoption of a Resolution Modifying the Toni Tisdale FY2022-2028 Regional Transportation Improvement Program (TIP)

Toni Tisdale will seek recommendation for COMPASS Executive Committee's adoption of a Board Administrative Modification to modify an ITD project.

### 9:15 \*D. Recommend Approval of Draft Federal-Aid Programs

Toni Tisdale

Page 13 Toni Tisdale will seek RTAC recommendation of approval of draft federal-aid programs, based on priority recommendations form RTAC.

### 9:35 \*E. Recommend *Communities in Motion 2050* (CIM 2050) Mary Ann Waldinger

Page 20 Funded Projects

Mary Ann Waldinger will seek RTAC recommendation for COMPASS Board of Directors' approval of CIM 2050 funded projects.

### V. <u>INFORMATION/DISCUSSION ITEMS</u>

### 9:45 \*A. Review Draft Coordinated Public Transit-Human Services Lila Klopfenstein

Page 32 Transportation Plan

Lila Klopfenstein will review the draft Coordinated Public Transit-Human Services Transportation Plan.

### 9:55 **B. Travel Survey Data Study Progress Update**

**Mary Ann Waldinger** 

Mary Ann Waldinger will share some of the results from the travel survey data.

### VI. STATUS REPORTS (INFORMATION ONLY)

Page 34 \*A. RTAC Agenda Worksheet

Page 39 \*B. Obligation Report

### VIII. OTHER:

**Next Meetings:** 

April 27, 2022, RTAC Meeting

### IX. ADJOURNMENT (10:15)

Those needing assistance with COMPASS events or materials, or needing materials in alternate formats, please call 475-229 with 48 hours advance notice. Si necesita asestencia con una junta de COMPASS, o necesita un documento en otro formato, por favor llame al 475-2229 con 48 horas de anticipación.

<sup>\*</sup>Enclosures Times are approximate. Agenda is subject to change.

# REGIONAL TRANSPORTATION ADVISORY COMMITTEE FEBRUARY 23, 2022 ZOOM CONFERENCE CALL COMPASS 1st Floor Board Room

### \*\*MINUTES\*\*

**ATTENDEES:** Rodney Ashby, City of Nampa, via telephone

Drew Alexander, Boise State University, via telephone

Aaron Bauges, Idaho Transportation Department, via telephone

Lee Belt, City of Greenleaf, Vice Chair, via telephone

Clair Bowman, City of Nampa, via telephone Miranda Carson, City of Meridian, via telephone

Kate Dahl, Canyon County Development Services, via telephone

Tom Ferch, Ada County Highway District, via telephone

Karen Gallagher, City of Boise, via telephone Caleb Hood, City of Meridian, via telephone

Stephen Hunt, Valley Regional Transit, via telephone Liisa Itkonen, COMPASS, Ex. Officio, via telephone

Samantha Kenney, Central District Health, Ex. Officio, via telephone

Angela Lively, City of Caldwell, via telephone Brian McClure, City of Meridian, via telephone

Brent Moore, Ada County Development Services, Chair, via telephone

Dave Rader, City of Boise, via telephone

Lenny Riccio, Canyon Highway District No. 4, via telephone

Darrell Romine, City of Melba, via telephone

Nichoel Baird Spencer, City of Eagle, via telephone

Michael Toole, Department of Environmental Quality, via telephone

Hanna Veal, City of Garden City, via telephone Tina Wilson, City of Parma, via telephone

Stacey Yarrington, Ada County Development Services, via telephone

**MEMBERS ABSENT:** Jeff Barnes, City of Nampa

Becky Crofts, City of Middleton

Lara Disney, Public Participation Workgroup

Steve Fultz, Canyon County Development Services

Ryan Head, Ada County Highway District

Jace Hellman, City of Kuna

Tom Laws, Ada County Highway District

Leon Letson, Ada County Development Services Dan Lister, Canyon County Development Services

Shawn Nickel, City of Star

Robb MacDonald, City of Caldwell

Jessica Szelag, City of Boise Bill Vaughan, City of Eagle

Bob Watkins, Golden Gate Highway District

**OTHERS PRESENT:** 

Elizabeth Allen, Canyon County Development Services, via telephone

Gabe Finkelstein, Boise State University, via telephone

Tevrin Fuller, COMPASS, via telephone

Tessa Greegor, Ada County Highway District, via telephone

Dane Hoskins, COMPASS, via telephone Amy Luft, COMPASS, via telephone Carl Miller, COMPASS, via telephone Hunter Mulhall, COMPASS, via telephone Mitch Skiles, COMPASS, via telephone

Matt Stoll, COMPASS, in person

Toni Tisdale, COMPASS, via telephone Hailey Townsend, COMPASS, in person

Mary Ann Waldinger, COMPASS, via telephone

#### **CALL TO ORDER:**

Chair Brent Moore called the meeting to order at 8:34 a.m.

### **OPEN DISCUSSION/ANNOUNCEMENTS**

Liisa Itkonen introduced Dane Hoskins, COMPASS' new Assistant Planner. Drew Alexander introduced Gabe Finkelstein, who will be Boise State University's new RTAC representative moving forward.

### **CONSENT AGENDA**

### A. Approve January 26, 2022, RTAC Meeting Minutes

Nichoel Baird Spencer moved and Tom Ferch seconded approval of the Consent Agenda as presented. Motion passed unanimously.

#### **ACTION ITEMS**

### A. Recommend Federal-Aid Rankings for COMPASS Programs

Toni Tisdale reviewed the project rankings for COMPASS federal-aid funding programs to guide COMPASS staff in developing a funding plan for those programs.

After discussion, Clair Bowman moved and Karen Gallagher seconded to recommend approval of application rankings for federal-aid projects, as modified to include the City of Nampa's local priorities [to break a tie]. Nichoel Baird Spencer clarified that the action would move the Orr Pathway project to priority number one. Motion passed unanimously.

### B. Recommend Acceptance of Updated Congestion Management Process

Hunter Mulhall reviewed the updated Congestion Management Process.

After discussion, Stephen Hunt moved and Tina Wilson seconded to recommend COMPASS Board of Directors' acceptance of the updated Congestion Management Process, as outlined in the technical document. This item will be brought to the COMPASS Board of Directors for action in its April 18, 2022, meeting. Motion passed unanimously.

4

### C. Approve Transportation Management Area (TMA) Balancing Action

Toni Tisdale reviewed an action to balance the Surface Transportation Block Grant (STBG)-TMA program to reprogram funding released from a project entering close-out.

After discussion, **Tina Wilson moved and Stacey Yarrington seconded to approve balancing actions for the STBG-TMA program, as presented. Motion passed unanimously.** 

### **INFORMATION ITEMS**

### A. Review *Communities in Motion 2050* (CIM 2050) Funded Projects and Unfunded Needs "Bin 1" for Prioritization

Mary Ann Waldinger reviewed long-term funded projects and unfunded needs to include in "Bin 1" (needed by year 2030) to undergo technical analysis and prioritization for CIM 2050.

### **Next Meetings:**

March 2, 2022, Optional Workshop March 16, 2022, RTAC Meeting

### **ADJOURNMENT**

Lenny Riccio moved and Tina Wilson seconded adjournment at 9:25 a.m. Motion passed unanimously.

\cpa-file01\Shared\FY22\800 System Maintenance\820 Committee Support\RTAC\2022 Minutes\Unsigned\minutes2232022.docx

### RTAC AGENDA ITEM IV-A

DATE: March 16, 2022

### Topic: Member Agencies' Requests for FY2023 Unified Planning Work Program (UPWP)

### **Request/Recommendation:**

COMPASS staff requests RTAC recommendation of a member agency's FY2023 UPWP request for consideration by the Finance Committee. The Finance Committee will recommend the FY2023 UPWP and budget for COMPASS Board of Directors' approval in July.

### **Background/Summary:**

The UPWP is developed annually and provides detailed information on COMPASS projects and tasks and available financial resources. The activities programmed in the UPWP fulfill federal requirements, address additional recommendations from the Federal Highway and Transit Administrations, and accommodate member agency requests as resources allow.

COMPASS solicited member requests for more than five COMPASS workdays in FY2023 from January 26 to February 16, 2022. COMPASS received one request from Canyon Highway District #4. Please see the attachment for the request.

#### Next Steps:

April - As needed, COMPASS, with requesting agency, will refine the scope and workday estimate of the request; COMPASS will develop a draft UPWP.

May - Finance Committee will review the draft UPWP; COMPASS staff will revise as needed.

June/July - Finance Committee will again review the draft UPWP and recommend it to the COMPASS Board of Directors; the Executive Committee will review workgroup charters to mirror tasks and deliverables in the UPWP and will recommend them to the COMPASS Board of Directors.

August - COMPASS Board of Directors will be asked to approve the UPWP and workgroup charters.

### Implications (policy and/or financial)

In order to adequately budget COMPASS staff time, member agency requests for assistance of more than five workdays must be included in the UPWP.

#### More Information:

- 1) Attachment: Member agency request.
- 2) For detailed information contact Liisa Itkonen at litkonen@compassidaho.org

LI: T:\FY22\700 Services\701 Member Services\FY2023 member requests priorities mmo RTAC Mar2022.docx

### **COMPASS Member Request Form:** FY2023 Unified Planning Work Program (UPWP) Projects

Requesting agency: CANYON HIGHWAY DISTRICT 4	Contact name: LENNY RICCIO							
<b>Phone</b> : 208-454-8135	Email: LRICCIO@CANYONHD4.ORG							
<b>Project title</b> : Support For CIP Development in Sub District 2 &	3 and Updates to the Mid-Star Area.							
Brief description of project purpose (attach a map or additional information if needed): Provide demographic and travel demand model runs to support the CHD4/Caldwell transportation impact fee program using the official 2050 demographic data set and appropriate roadway network. The service area network shall include all locally maintained arterials and collectors within Caldwell area of impact and additional CHD4 arterials and collectors with sub district 2 & 3. Continue support for the Mid-Star CIP and travel demand model.								
Expected outcomes or deliverables:								
Updated TAZ-level demographic data, average VMT, and average & 3 service area.	e trip length for the predefined Subdistrict No. 2							
Significance and regional value: Technical analysis necessary for the above mentioned agencies to Subdistrict No. 2 & 3 service area	evaluate and develop transportation impact fees for							
Estimated start date: Jan 1, 2023 Target	completion date: February 28, 2023							
Estimated COMPASS staff workdays: 11 (If unsure, contact COMPASS for assistance in estimating)								
Type of support needed (check as many as apply):								
X Demographic research General technical/data supp	ort GIS/mapping/spatial data							
Project management/ Public involvement/outreach facilitation	Transportation planning							
$\overline{X}$ Travel demand modeling $\overline{}$ Other planning (e.g., environmental, land use, et	other resources (e.g., specialized software, consultant services, etc.)							
Submit no later than February 16, 2022, to Liisa Itkoner	, litkonen@compassidaho.org							
Next steps:								

- 1. COMPASS staff may follow up with additional questions if needed.
- 2. RTAC will review and prioritize member requests at its March 16, 2022, meeting for inclusion in the FY2023 UPWP.
- 3. Projects included in the UPWP will need a completed work plan for COMPASS assistance by October 2022.

### RTAC AGENDA ITEM IV-B

Date: March 16, 2022

Topic: High-Capacity Transit Planning and Environmental Linkages (PEL) Study for the FY2023 UPWP and Draft FY2023-2029 Regional Transportation Improvement Program TIP

### **Request/Recommendation:**

COMPASS staff seeks RTAC recommendation of COMPASS Board of Directors' approval to consider including a High-Capacity Transit Planning and Environmental Linkages (PEL) study in the draft FY2023 COMPASS Unified Planning and Work Program and Budget (UPWP) and the FY2023-2029 Regional Transportation Improvement Program (TIP).

### **Background/Summary:**

In 2020, COMPASS updated the <u>Treasure Valley High Capacity Transit Study</u>, which identified several promising modes and alignments for a future high-capacity transit service south of the Boise River, roughly parallel to I-84. This study, coupled with results from three public surveys conducted between 2019 and 2021, identified the public's preferred service features for future high-capacity transit. Based on this information, in June 2021 the COMPASS Board of Directors approved regional rail on the Boise Cutoff alignment as the "locally-favored" high-capacity transit option for *Communities in Motion 2050*.

As the next step in the planning process, COMPASS proposes conducting a PEL study, beginning in FY2023. A PEL study uses a collaborative and integrated approach to transportation decision-making that brings key stakeholders into the process early and allows preliminary planning to be done within the framework of a National Environmental Policy Act (NEPA) process. The study will build on prior planning efforts and include several modes and alignments, including regional rail on the Boise Cutoff alignment.

Outcomes of the proposed PEL include the following:

- Refine purpose and need for high-capacity transit service south of the Boise River
- Reevaluate alignments and modes that meet the identified purpose and need
- Conduct a fatal flaws analysis of alternatives
- Refine planning-level cost-estimates
- Receive stakeholder and public input

This PEL study would advance the high-capacity transit planning project (Key No. 13046), currently in Preliminary Development in the FY2022-2028 TIP. COMPASS staff seek RTAC member feedback on this process and a recommendation for the consideration of this study in the COMPASS draft FY2023 UPWP and FY2023-2029 TIP.

#### More Information:

1) For detailed information contact: Lila Klopfenstein, Assistant Planner, at (208) 475-2230 or <a href="mailto:lklopfenstein@compassidaho.org">lklopfenstein@compassidaho.org</a>

 $\label{linear_$ 

### RTAC AGENDA ITEM IV-C March 16, 2022

Topic: Resolution Modifying the FY2022-2028 Regional Transportation Improvement Program (TIP)

### **Request/Recommendation:**

COMPASS staff requests RTAC recommendation of COMPASS Executive Committee's adoption of a Board Administrative Modification (attached) to the FY2022-2028 TIP.

### **Background/Summary:**

The Idaho Transportation Department (ITD) requested cost increases to two projects to match current engineer's cost estimates:

- Key Number 20405 Interstate 84, Bridge Repairs, District 3 FY2022
  - Increase of \$647,000
- Key Number 22165 US 20/26 (Chinden Boulevard), Interstate 84 to Middleton Road, Canyon County
  - Increase of \$4,150,000

Both projects are preparing to go to bid. ITD requested expedited approvals for the modifications. COMPASS staff will request approval of these actions at the COMPASS Executive Committee on April 12, 2022, followed by a request to ratify the approval by the full COMPASS Board of Directors on April 18, 2022.

### Implication (policy and/or financial):

The modifications to the TIP ensure that the documents continue to meet federal fiscal constraint requirements and enable work to begin immediately on these projects.

#### More Information:

#### **RESOLUTION NO. X-2022**

### FOR THE PURPOSE OF AMENDING THE FY2022-2028 REGIONAL TRANSPORTATION IMPROVEMENT PROGRAM

**WHEREAS**, the Community Planning Association of Southwest Idaho (COMPASS) has been designated by the Governor of Idaho as the metropolitan planning organization responsible for transportation planning in Ada and Canyon Counties;

**WHEREAS**, the Infrastructure Investment and Jobs Act (IIJA), Title 23 United States Code Section 134, and Title 49 United States Code Section 5303 require metropolitan planning organizations to develop and approve a transportation improvement program;

**WHEREAS**, the IIJA, Title 23 United States Code Section 134, and Title 49 United States Code Section 5303 require projects contained in the transportation improvement program to be financially constrained;

**WHEREAS**, the IIJA, Title 23 United States Code Section 134, and Title 49 United States Code Section 5303 require the transportation improvement program be developed and amended in consultation with all interested parties;

**WHEREAS,** the Community Planning Association of Southwest Idaho desires to take timely action to ensure the availability of federal funds;

**WHEREAS,** the Community Planning Association of Southwest Idaho developed this Board Administrative Modification to the FY2022-2028 Regional Transportation Improvement Program in compliance with all applicable state and federal regulations; and

**WHEREAS**, the attached table details the Board Administrative Modification to the FY2022-2028 Regional Transportation Improvement Program.

**NOW, THEREFORE, BE IT RESOLVED,** that the Community Planning Association of Southwest Idaho's Executive Committee approves the modifications to the FY2022-2028 Regional Transportation Improvement Program.

**ADOPTED** this 12<sup>th</sup> day of April 2022.

## RTAC AGENDA ITEM IV-D

Date: March 16, 2022

### Topic: Draft Federal-Aid Programs Based on Recommended Priorities

### **Request/Recommendation:**

COMPASS staff seeks RTAC recommendation of draft Surface Transportation Block Grant – Transportation Management Area (STBG-TMA), Transportation Alternatives Program (TAP) – TMA, and STBG – Urban programs, based on project rankings recommended by RTAC on February 23, 2022.

### **Background/Summary:**

Each year, COMPASS solicits funding applications for transportation needs through a two-phase approach. All applicants were required to submit a Phase I application; the deadline for Phase I applications for the FY2023-2029 funding cycle was December 6, 2021. COMPASS staff determined funding eligibility of all applications and provided that information to applicants on December 16, 2021. Members who submitted applications deemed eligible for federal-aid funding were requested to submit Phase II applications, providing additional information for the federal process, no later than January 19, 2022. RTAC ranked all eligible applications with a paired comparison process February 4 - 16, 2022.

On February 23, 2022, RTAC reviewed the preliminary rankings for federal-aid eligible projects and recommended them to move forward in the process. The rankings guided staff in developing a funding plan for federal-aid programs, which also includes updates and changes to existing projects.

A summary of the funding recommendations for *new* projects, by program, is provided in Attachment 1. The worksheets, including full programming recommendations for programs in the Boise Urbanized Area (TMA), are provided in "Supplemental Information" at <a href="https://www.compassidaho.org/documents/people/rtac/2022/IVD\_Supp\_ALLTMASum2023.pdf">https://www.compassidaho.org/documents/people/rtac/2022/IVD\_Supp\_ALLTMASum2023.pdf</a> (report prints on 11 x 17 paper). The worksheet for programs in the Nampa Urbanized Area are provided in Attachment 2. The attachments are the same as the documents provided at the March 2, 2022, optional RTAC workshop on federal-aid funding programs.

### Highlights of Proposed Funding Plan

- Existing projects include an increase of 2% for inflation in the construction phase.
- One of the top eight ranked projects is recommended for funding and one is recommended for partial funding in the STBG-TMA program
- The one ranked project is recommended for funding in the TAP-TMA program.
- The top four projects in the STBG-Urban program are recommended to move forward in the urban balancing process for funding; however, funding is dependent on the balancing process with other metropolitan planning organizations across the state and the Local Highway Technical Assistance Council.
  - o Staff is unsure if these projects will be funded in the final program.

 Several projects in both the TMA and Urban areas may be eligible for funding in the Carbon Reduction Program; however, guidance is not yet available. These programs will be brought back for review once additional information is received.

### **Next Steps**

- **April 7, 2022** Urban Balancing (further balancing STBG-Urban)
- May 25, 2022 RTAC reviews draft FY2023-2029 TIP
- June 27, 2022 COMPASS Board of Directors reviews draft FY2023-2029 TIP
- August 1-31, 2022 Public comment period on draft FY2023-2029 TIP
- September 28, 2022 RTAC requested to recommend FY2023-2029 TIP
- October 19, 2022 COMPASS Board of Directors requested to approve FY2023-2029 TIP

### Implication (policy and/or financial):

The project rankings recommended by RTAC on February 23, 2022, were used to develop the funding plan. The TIP update process allows costs to be updated based on COMPASS Board of Directors' guidance, as well as new cost estimates. Today's action will allow the federal-aid programs managed by COMPASS to be included in the draft FY2023-2029 TIP.

### RTAC AGENDA ITEM IV-E

DATE: March 16, 2022

Topic: Communities in Motion 2050 (CIM 2050) Funded Projects

### Request/Recommendation:

COMPASS staff requests RTAC recommendation of the *Communities in Motion 2050* (CIM 2050) short-term and long-term funded transportation capital projects for COMPASS Board of Directors' approval.

### **Background/Summary:**

CIM 2050 will include funded public transportation system changes, regional pathway improvements, and roadway capital projects. Funded roadway projects are limited to those on Interstate 84, state highways, and principal arterials, as well as federally funded capital projects on other facilities. The project information is based on Valley Regional Transit's Draft Transit Development Plan, the FY2022-2028 Regional Transportation Improvement Program, the FY2022-2028 Idaho Transportation Investment Program, Ada County Highway District's FY2022-2026 Integrated Five-Year Work Plan and 2020-2040 Capital Improvements Plan, the City of Nampa's Streets Capital Improvement Plan 2021-2029, and the Nampa Highway District's FY2022-2026 Five Year Work Plan.

The short-term funded projects cover FY2022-2026 (Attachment 1). The long-term funded projects are planned and funded between 2027 and 2050 (Attachment 2). RTAC reviewed the CIM 2050 "foundation" of funded projects in December 2021 and approved it to move forward with technical analysis. Subsequently, RTAC reviewed the list of long-term funded projects in January and February 2022. Costs and project descriptions have been added, but no substantive changes to listed projects have been made since the February RTAC meeting.

If there are any changes to the project lists, please send them to Mary Ann Waldinger (<a href="mailto:mwaldinger@compassidaho.org">mwaldinger@compassidaho.org</a>) before the meeting.

### Implications (policy and/or financial)

In CIM 2050, the short-term and long-term funded projects form the 2050 funded transportation system, fulfilling a federal requirement for the plan.

#### **More Information:**

- 1) Attachment 1: Draft CIM 2050 Short-Term Funded Projects
- 2) Attachment 2: Draft CIM 2050 Long-Term Funded Projects
- 3) For detailed information contact MaryAnn Waldinger, at 208/475-2242 or mwaldinger@compassidaho.org or Liisa Itkonen, at 208/475-2241 or litkonen@compassidaho.org

# Short Term Funded (Budgeted) Regional Capital Transportation Projects FY2022-2026<sup>i</sup> Alphabetical order

Project and Brief Description	Estimated Cost (2021 Dollars) <sup>ii</sup>	Key Number <sup>iii</sup>	Cost in Year of Expenditure (coming at a later date)
11 <sup>th</sup> Avenue and Ustick Road Intersection – add roundabout. (2026)	\$2,532,400	013i	
<b>Bicycle and Pedestrian Bridge</b> – build bridge over North Channel of Boise River, Eagle. (2023)	\$3,638,000	20841	
Centennial Way Intersection, Caldwell – replace a six- legged intersection at State Highway 19 (Simplot Boulevard), Centennial Way, Cleveland Boulevard, and Blaine Street with a roundabout intersection. (2023)	\$3,628,000	13484	
<b>Eagle Road, Lake Hazel Road to Amity Road</b> – widen to five lanes with enhanced bicycle and pedestrian facilities. (2023)	\$6,577,000	RD216-04	
Fairview Avenue, Locust Grove Road to State Highway 55 (Eagle Road) – widen to seven lanes with enhanced bicycle and pedestrian facilities. (2025)	\$5,155,000	RC0133	
Five Mile Road, Overland Road to Franklin Road – preliminary design and an environmental study to replace the Five Mile Road overpass over Interstate 84, widen the bridge to four lanes, and widen Five Mile Road to five lanes with enhanced bicycle and pedestrian facilities. (2025)	\$4,247,000	23095	
Construction is long-term funded.  Interstate 84	¢17.4E6.000		
• State Highway 44 (Exit 25) Westbound Ramp Improvements, Canyon County – widen the westbound Interstate 84 off-ramp at State Highway 44 (Exit 25) to reestablish uniform shoulder width, install a traffic signal and queue detection on the westbound off-ramp, and excavate the slope to improve sight distance. (2022) \$1,706,000	\$17,456,000	23099	
• Interstate 84 and State Highway 44 Interchange – design to replace interchange. (2023) \$1,225,000 Construction is long-term funded.		23188	
• State Highway 44 (Exit 25) to Centennial Way (Exit 27) – corridor study to determine what improvements are needed to address safety and mobility. (2022) \$2,100,000		23341	
<ul> <li>Centennial Way (Exit 27) to Franklin Road (Exit 29) – environmental study, design, and right-of-way acquisition to determine needed improvements. (2023) \$11,100,000</li> </ul>		23437	
Construction is long-term funded.			
<ul> <li>Meridian Road (Exit 44) to Eagle Road (Exit 46) –         evaluate adding an auxiliary lane between the Meridian         Road (Exit 44) and Eagle Road (Exit 46) interchanges in         Meridian, including an additional lane and shoulder on         the eastbound on-ramp at Meridian Road and the         eastbound off-ramp at Eagle Road. Work includes all         studies and design work necessary. Traffic patterns on         Interstate 84 from Meridian Road to the WYE         interchange in the City of Boise will also be studied.         (2022) \$1,325,000         Construction is TBD per study outcomes.</li> </ul>		23456	

Project and Brief Description	Estimated Cost (2021 Dollars) <sup>ii</sup>	Key Number <sup>iii</sup>	Cost in Year of Expenditure (coming at a later date)
Karcher Road and Franklin Boulevard Intersection, Nampa – install a roundabout at the intersection of Karcher Road and Franklin Boulevard. (2022)	\$3,274,000	22102	
Lake Hazel Road	\$31,172,000		
• Lake Hazel Road and Eagle Road Intersection – signalize the intersection and widen the west leg to three lanes, east and south legs to four lanes, and north leg to five lanes. Project includes enhanced bicycle and pedestrian facilities and intersection lighting. (2024) \$8,317,000		IN216-01	
<ul> <li>Locust Grove Road to Eagle Road – widen to five lanes and construct enhanced bicycle and pedestrian facilities. (2022-2023) \$2,500,000</li> </ul>		200617	
<ul> <li>Eagle Road to Cloverdale Road – widen to five lanes with enhanced bicycle and pedestrian facilities. (2026) \$13,312,000</li> </ul>		204179	
Cloverdale Road to Five Mile Road – right-of-way acquisition for future five-lane widening and enhanced bicycle and pedestrian facilities. (2023) \$1,201,000 Construction is long-term funded.		204439	
Lake Hazel Road and Maple Grove Road     Intersection – widen intersection to six lanes on Lake     Hazel Road and four lanes on Maple Grove Road. (2024     \$4,843,000 IN205-69		IN205-69	
• Five Mile Road to Maple Grove Road – design and right-of-way acquisition for future five-lane widening and enhanced bicycle and pedestrian facilities. (2024-2025) \$667,000		RD207-30	
Construction is long-term funded.			
<ul> <li>Maple Grove Road to Cole Road – design for future five-lane widening and enhanced bicycle and pedestrian facilities. (2026) \$332,000</li> </ul>		RD216-05	
Right-of-way and construction are long-term funded.			

			Cost in Year
Project and Brief Description	Estimated Cost (2021 Dollars) <sup>ii</sup>	Key Number <sup>iii</sup>	of Expenditure (coming at a later date)
Linder Road	\$17,240,000		
<ul> <li>Overland Road to Franklin Road – design for future five lane widening and a new four lane overpass over Interstate 84 in the City of Meridian. Project includes enhanced bicycle and pedestrian facilities. (2022) \$1,161,000</li> </ul>		RC0207	
<ul> <li>Right-of-way and construction are long-term funded.</li> <li>Cherry Lane to Ustick Road – design and partial right-of-way for five-lane widening. Project includes enhanced bicycle and pedestrian facilities. (2025-2026) \$950,000</li> </ul>		RD209-15	
<ul> <li>Chinden Boulevard (US Highway 20/26) to State Street (State Highway 44) South Phase – design and right-of-way for future five-lane widening with enhanced bicycle and pedestrian facilities. (2024-2026) \$3,052,000</li> </ul>		102120	
<ul> <li>Construction is long-term funded.</li> <li>State Street (State Highway 44) to Floating         Feather Road – widen to five lanes, with enhanced         bicycle and pedestrian facilities and a multi-lane         roundabout at Linder Road and Floating Feather Road.         (2026) \$12,077,000</li> </ul>		RD209-28 IN217-03	
Meridian Road Extension and Railroad Overpass – conduct	\$300,000	KUN01	
a planning and environmental linkages (PEL) study for the realignment of State Highway 69 (Meridian Road) and Kuna Road intersection and the extension of Meridian Road south to Kuna Mora Road, including overpasses over the Union Pacific Rail and Indian Creek, in the City of Kuna. (2022)  Construction is long-term funded.	4000/000	,,,,,,,,	
Middleton Road and Orchard Avenue Intersection, Nampa – add traffic signal. (2022)	\$2,500,000	146i	
Northside Boulevard and Cherry Lane Intersection, Nampa – add roundabout. (2024)	\$2,317,500	021i	
Old Highway 30, Plymouth Street Bridge, Caldwell – replace one-lane bridge with a new two-lane structure (2023)	\$8,729,000	13494	
Orchard Street Realignment, Gowen Road to Victory Road  - realign/widen Orchard Street to five lanes with enhanced bicycle and pedestrian facilities. (2026-2027)	\$22,421,000	201399	
Pathway, Federal Way and Broadway Avenue – design a multi-use pathway in the City of Boise. (2022)  Construction is long-term funded.	\$175,000	23307	
Pathway, Garden Street Multi-Use Pathway, Cassia Park to Albion Street – construct a multi-use pathway in the City of Boise. (2024)	\$1,733,000	23324	
Pathway, Rail with Trail – construct a multi-use pathway in the City of Meridian. (2024)	\$649,000	13918	
Pedestrian Improvements, State Highway 55, Bristol Heights to US Highway 20/26 (Chinden Boulevard) – design a ten-foot shared pedestrian and bicycle pathway on the west side of State Highway 55 (Eagle Road) in Boise. (2025) Construction is long-term funded.	\$60,000	22931	

Project and Brief Description	Estimated Cost (2021 Dollars) <sup>ii</sup>	Key Number <sup>iii</sup>	Cost in Year of Expenditure (coming at a later date)
Pedestrian Improvements, State Highway 55 (Eagle Road), Franklin Road to Pine Avenue – construct or widen existing pathway on east side of State Highway 55 in the City of Meridian. (2025)	\$621,000	20542	
Pedestrian Improvements, US Highway 20/26 (Chinden Boulevard) at 43rd Street – install a pedestrian hybrid beacon-controlled crossing in the City of Garden City. (2023)	\$247,000	20549	
Pedestrian Improvements, Stoddard Pathway, Sherman Avenue to 2 <sup>nd</sup> Street – extend the current pathway in the City of Nampa. (2022)	\$414,000	22944	
<ul> <li>Robinson Road</li> <li>Robinson Road and Kuna Road Intersection – add roundabout. (2025) \$2,387,000</li> </ul>	\$4,704,500	333i	
<ul> <li>Robinson Road and Locust Lane Intersection – add roundabout. (2023) \$2,317,500</li> </ul>		263i	
Southern Connection to Interstate 84 at State Highway 16 Interchange – corridor study to determine needs and weigh options for a connection to local roads between McDermott Road and Robinson Road. (2022)	\$200,000	NAM02	
Southside Boulevard	\$7,170,400		
<ul> <li>Southside Boulevard and Deer Flat Road</li> <li>Intersection – add roundabout. (2024) \$2,387,000</li> </ul>		306i	
<ul> <li>Southside Boulevard and Kuna Road Intersection – add roundabout. (2025) \$2,532,400</li> </ul>		377i	
Southside Boulevard and Lewis Lane Intersection – add roundabout. (2023) \$2,251,000		NEW	
Star/Robinson Road and Cherry Lane Intersection – add a roundabout. (2022)	\$1,600,000		
<ul> <li>State Highway 16</li> <li>Interstate 84 to US Highway 20/26 – design and right-of-way acquisition for a new expressway. Phase 2 construction with at-grade intersections and Phase 3 design to add interchanges. (2023) \$2,500,000 Phase 3 construction is long-term funded.</li> </ul>	\$177,000,000	20788	
• Interstate 84 to Franklin Road, Nampa – construction at Phase 2 design level (at-grade intersections). (2022) \$60,500,000		23410	
<ul> <li>Franklin Road to Ustick Road, Canyon County – construction at Phase 2 design level (at-grade intersections). (2022) \$55,500,000</li> </ul>		23409	
<ul> <li>Ustick Road to US Highway 20/26 and State         Highway 44, Ada County – construction at Phase 2         design level (at-grade intersections). (2022)         \$55,500,000</li> </ul>		23408	
<ul> <li>State Highway 44 to Junction State Highway 52 – environmental reevaluation. (2026) \$3,000,000</li> </ul>		23175	
State Highway 21, Technology Way to Surprise Way – add a turn lane and widen shoulders. (2022)	\$2,549,000	20428	

Project and Brief Description	Estimated Cost (2021 Dollars)"	Key Number <sup>iii</sup>	Cost in Year of Expenditure (coming at a later date)
<ul> <li>State Highway 44 (State Street)</li> <li>Star Road to State Highway 16, Ada County – widen to four travel lanes. (2024) \$10,749,000</li> </ul>	\$19,249,000	20574	
<ul> <li>State Highway 16 (Emmett Highway) to Linder</li> <li>Road – widen to four travel lanes. (2023) \$8,500,000</li> </ul>		20266	
<ul> <li>State Highway 55 (Karcher Road)</li> <li>Pear Lane to Farmway Road – preliminary engineering, design, and right-of-way for future widening. (2026) \$15,000,000</li> </ul>	\$60,350,000	23335	
<ul> <li>Construction is long-term funded.</li> <li>Farmway Road to Middleton Road – preliminary engineering, design, and right-of-way for future widening. (2024) \$41,000,000</li> </ul>		22715	
<ul> <li>West of Caldwell-Nampa Boulevard to Karcher Road (Exit 33) Westbound Loop Off Ramp – preliminary engineering and right-of-way acquisition to add a free-running right turn lane on the westbound off-ramp and continue the new lane across Interstate 84 and the Union Pacific Railroad/Indian Creek structure to Caldwell Boulevard. (2023) \$4,350,000 Construction is long-term funded.</li> </ul>		23336	
State Street Transit Service	\$7,382,000		
• State Highway 55 to downtown Boise – improve infrastructure and pedestrian connections to public transportation, including enhanced bus stops that are compliant with the Americans with Disabilities Act and passenger amenities such as benches, distinct shelters, real-time information, off-board fare payment, lighting, and bicycle racks. (2022) \$1,500,000	<i>4.76627666</i>	23178	
<ul> <li>State Highway 55 to downtown Boise – deploy real- time information, off-board fare payment, raised platforms, and necessary pullouts to accommodate all bus stops. (2023) \$5,882,000</li> </ul>		23179	
Ten Mile Road, Victory Road to Overland Road – widen to five lanes with enhanced bicycle and pedestrian facilities. (2022-2023)	\$2,984,000	RC0299	
US Highway 20/26 (Chinden Boulevard)	\$102,392,000		
• Interstate 84 to Middleton Road – widen to six lanes, including a continuous median traffic separator with Uturn opportunities, and two additional traffic signals. (2022) \$41,150,000		22165	
<ul> <li>Middleton Road to Star Road – design and right-of- way acquisition for future widening to four lanes with center turn lane. (2024) \$52,500,000</li> <li>Construction is unfunded.</li> </ul>		23337	
<ul> <li>Phyllis Canal Bridge to State Highway 16 – add one lane in both directions and add bicycle and pedestrian facilities. (2023) \$8,742,000</li> </ul>		20367	

Project and Brief Description	Estimated Cost (2021 Dollars) <sup>ii</sup>	Key Number <sup>iii</sup>	Cost in Year of Expenditure (coming at a later date)
<ul> <li>Black Cat Road to Ten Mile – widen to five lanes and construct enhanced bicycle and pedestrian facilities.         (2024) \$4,686,600     </li> </ul>	\$8,381,000	204189	
<ul> <li>Ten Mile Road to Linder Road – widen to five lanes with curb, gutter, sidewalk, and level three bicycle facility. (2024) \$3,695,000</li> </ul>		204859	
Victory Road and Ten Mile Road Intersection – construct a dual-lane roundabout. Project includes enhanced bicycle and pedestrian facilities and intersection lighting. (2023)	\$3,114,000	IN214- 03	
Total Budgeted Regional Capital Projects	<u>\$532,161,800</u>		

<sup>&</sup>lt;sup>i</sup> This table shows all transportation projects using federal funds, as well as regional capital transportation projects regardless of funding source programmed (budgeted) for construction between FY2022 and FY2026 on Interstate 84, state highways, and principal arterials. This information is from the FY2022-2028 Idaho Transportation Investment Program, Ada County Highway District's FY2022-2026 Integrated Five-Year Work Plan and the 2020-2040 Capital Improvements Plan, City of Nampa's Streets Capital Improvement Plan 2021-2029, Nampa Highway District's FY2022-2026 Five-Year Work Plan, and information provided by the City of Caldwell.

ii Costs are in current dollars and not adjusted for inflation. Costs do not include environmental clearances.

iii The key number is the tracking number for each project.

## Long-Term Funded Regional Transportation Projects FY2027 - 2050<sup>i</sup> Alphabetical order

Regional Public Transportation Project and Brief Description	Estimated Cost (2021 Dollars)	Cost in Year of Expenditure (contact at a
Valley Regional Transit – premium route improvements serving State Street, Fairview Avenue, and Vista Avenue. Inter-county improvements serving the Boise Airport and Micron. Route restructuring on Boise's west and central bench. New service to the City of Kuna and Gowen Road.	TBD*	later date)
* Capital and operating costs will be provided upon approval of Valley Regional Transit's Transit Development Plan		
Regional Pathway Projects and Brief Descriptions	Estimated Cost (2021 Dollars) <sup>ii</sup>	Cost in Year of Expenditure (coming at a later date)
Boise River Greenbelt Improvements, Southside (Boise State), Theatre Lane to Broadway Avenue – widen the pathway to 12 feet; add landscape buffer between the pathway and street.	\$767,000	
Design and preliminary engineering are short-term budgeted and not included in the long-term cost estimate. (Key #22385)		
Grimes City Pathway Extension (Nampa), McDonagh Park to Birch Elementary – extend the pathway by one-half mile of 12-foot asphalt including lighting and crosswalk improvements. (Key #23025)	\$385,000	
<b>Pathway, Federal Way and Broadway Avenue</b> – construct a 10-foot separated, concrete multi-use pathway at the interchange of Broadway Avenue (US Highway 20/26) and Federal Way in Boise.  Preliminary engineering is short-term budgeted and not included in the long-	\$1,224,000	
Pedestrian Improvements, State Highway 55, Bristol Heights to US Highway 20/26 (Chinden Boulevard) – construct a tenfoot shared pedestrian and bicycle pathway on the west side of State	\$291,000	
Highway 55 (Eagle Road) in Boise  Design is short-term budgeted and not included in the long-term cost estimate. (Key #22931)		
Total Long-Term Funded Pathway Projects	\$2,376,000	

Regional State System Projects and Brief Descriptions <sup>iii, iv</sup>	Estimated Cost (2021 Dollars)	Cost in Year of Expenditure (coming at a later date)
<ul> <li>Interstate 84 (Canyon County)</li> <li>State Highway 44 (Exit 25) – replace the bridge at current design standards.</li> </ul>	\$123,000,000	,
• Centennial Way (Exit 27) to Franklin Road (Exit 29) – add one lane per direction, add westbound auxiliary lane from Centennial Way (Exit 27) to 10th Avenue (Exit 28), add auxiliary lanes in both directions from 10th Avenue (Exit 28) to Franklin Road (Exit 29), modify 10th Avenue (Exit 28) and other minor changes to on and off ramps		
Westbound ramp improvements (Key #23099) and preliminary engineering (Key #23188) are short-term budgeted and not included in the long-term cost estimate.		
State Highway 16, Interstate 84 to State Highway 44 Phase 3  – construct additional interchange ramps at Interstate 84, convert the at-grade interchanges to grade-separated interchanges at Franklin Road, Ustick Road, US Highway 20/26, and State Highway 44.	\$220,000,000	
State Highway 45 and Locust Lane Intersection – install a traffic	\$2,048,000	
signal.  State Highway 55 (Karcher Road)	\$180,400,000	
<ul> <li>Pear Lane to Middleton Road – widen to four travel lanes.</li> </ul>		
Preliminary engineering, design, and right-of-way are short-term budgeted and not included in the long-term cost estimate.		
<ul> <li>10<sup>th</sup> Avenue to Middleton Road – widen to four travel lanes; construction budgeted for 2027. (Key #23184)</li> </ul>		
<ul> <li>West of Caldwell-Nampa Boulevard to Karcher Road (Exit 33) Westbound Loop Off Ramp – add third westbound lane (western terminus to be determined).</li> </ul>		
Preliminary engineering and right-of-way are short-term budgeted and not included in the long-term cost estimate. (Key #23336)		
US Highway 20/26, Middleton Road to State Highway 55 (Eagle Road)	\$348,160,000	
<ul> <li>Middleton Road to Star Road (Interim) - widen to four travel lanes, including ultimate right-of-way (\$145,000,000)</li> </ul>		
Middleton Road to Star Road - design and partial right-of-way are short-term budgeted and not included in the long-term cost estimate.		
<ul> <li>Middleton Road to State Highway 16 (Ultimate) - widen to six travel lanes (\$83,160,000)</li> </ul>		
<ul> <li>State Highway 16 to State Highway 55 (Eagle Road) - widen to six travel lanes. (\$120,000,000)</li> </ul>		
Total Long-Term Funded State System Projects	\$873,608,000

Connects to Airport Road in Canyon County. Airport Road, Robinson Boulevard to McDermott Road – widen to 3 lanes is unfunded.		
Overland Road, Locust Grove Road to Cole Road – widen to	\$36,120,000	

Regional Local System Projects and Brief Descriptions ii, iv	Estimated Cost (2021 Dollars) iError! Bookmark not defined.	Cost in Year of Expenditure (coming at a later date)
Stamm Lane • Garrity Boulevard to Happy Valley Road – widen to five	\$10,510,000	
lanes.		
<ul> <li>Happy Valley Road to Robinson Boulevard – widen to three lanes.</li> </ul>		
Stamm Lane and Garrity Boulevard intersection is short-term budgeted; preliminary engineering (2022), right-of-way (2023), and construction (2027). (Key #22712) Total cost \$1,971,000 (not included in long-term cost estimate).		
State Street, State Highway 44 (Glenwood Street) to 27 <sup>th</sup>	\$24,800,000	
<b>Street</b> – widen to seven lanes consistent with Transit and Traffic Operational Plan.		
Ten Mile Road, Amity Road to Victory Road – widen to five lanes.	\$6,010,000	
Ustick Road, Star Road to Black Cat Road – widen to five lanes.	\$12,810,000	
Sections of Ustick Road will be widened as part of the State Highway 16 Phase 2 short-term budgeted project. (Key #23410)		
Black Cat Road to Ten Mile Road and Ten Mile Road to Linder Road – widen to five lanes are short-term budgeted and not included in the long-term cost estimate. (ACHD Projects #204189 and #204859)		
Total Long-Term Funded Local System Capital Projects	<u>\$529,510,000</u>	

<sup>&</sup>lt;sup>1</sup> Capital projects on Interstate 84, state highways, principal arterials, and/or using federal funds.

<sup>&</sup>quot;Cost estimates from various available resources including but not limited to recent project bid estimates, work programs, capital improvement plans and / or provided by the agency. Costs are represented in 2021 dollars. A 2% inflation rate was applied if necessary. For example, if a cost estimate in a plan was from 2019 that cost was inflated to 2021. Costs do not include environmental clearances. Costs are subject to change.

III All projects include intersection improvements as deemed appropriate by the implementing agency.

<sup>&</sup>lt;sup>iv</sup> Corridors may include bike and pedestrian infrastructure per the implementing agency's policies and/or approved studies. The descriptions above are intended to be brief and not address specific design elements.

### RTAC AGENDA ITEM V-A

Date: March 16, 2022

Topic: Draft Coordinated Public Transit-Human Services Transportation Plan

### **Request/Recommendation:**

This is an information/discussion item.

### **Background/Summary:**

A Coordinated Public Transit-Human Services Transportation Plan ("Coordinated Plan") is required for project proposals to be eligible to receive funding from the Federal Transit Administration's Section 5310 program - Enhanced Mobility of Seniors and Individuals with Disabilities. The Coordinated Plan seeks to identify the unmet transportation needs of individuals with disabilities, older adults, people with limited English proficiency, and people with low incomes, then identify a set of coordinated strategies to meet those needs. The list of needs and strategies identified in the Coordinated Plan will guide future service improvements for funding and implementation. The current Coordinated Plan was adopted in 2014; the 2022 version is an update to that plan.

COMPASS staff worked closely with Valley Regional Transit (VRT) staff and the VRT Regional Advisory Council to develop this plan. COMPASS will use the plan to inform its long-range planning and VRT will use it to inform its planning and project development.

In this meeting, COMPASS staff will provide a high-level overview of the structure and content in the draft 2022 Coordinated Public Transit-Human Services Transportation Plan for Ada and Canyon Counties and share the list of highest priority transportation needs and strategies (attached). While federal law only requires the Coordinated Plan in order to receive funds from the 5310 program, staff also worked to ensure that the plan is widely applicable to a range of available funding programs. The plan will be updated on the same cycle as the long-range transportation plan, every four to five years.

Public comment on the draft plan is planned for April 15 – May 15, 2022. This will include one virtual open house event and two in-person open house events.

### **More Information:**

- 1) Attachment: Highest Priority Needs and Strategies to Meet Those Needs
- 2) For detailed information contact: Lila Klopfenstein, Assistant Planner, at (208) 475-2230 or lklopfenstein@compassidaho.org

### **Highest Priority Needs and Strategies to Meet Those Needs**

### **Need: Improve Access to Transit**

### Strategies

- ✓ Improve infrastructure and transit amenities at bus stop locations to provide lighting, shelter, and accessible pedestrian connections
- ✓ Increase availability of accessible vehicles for demand response services, including specialized transportation
- ✓ Expand marketing and outreach efforts to ensure residents are aware of transportation options within the region
- ✓ Expand programs that train people on how to use available transportation options

### **Need: Expand Service Hours and Days**

### Strategies

- ✓ Increase late night service hours
- ✓ Increase service hours on weekends

### **Need: Increase Service Frequency/Availability**

### **Strategies**

- ✓ Improve the cost-effectiveness of demand response services, including specialized transportation
- ✓ Increase revenue hours for demand response services, including specialized transportation
- ✓ Increase availability of qualified drivers in the region
- ✓ Invest in "premium" transit services to increase service frequency in key transit corridors
- ✓ Invest in "frequent" transit services to increase service frequency in key transit corridors

### **Need: Improve Access to Employment**

### Strategies

- ✓ Increase the frequency of fixed route services and/or the availability of demand response services to better accommodate individuals who ride public transportation to work
- ✓ Increase evening service hours
- ✓ Maintain and expand Valley Regional Transit's Late Night and Lyft Transit Connections programs
- ✓ Work with employers to improve and expand transit services or programs that increase access to
  places of employment

### **Need: Meet Service Needs in Rural/Suburban Areas**

#### **Strategies**

- ✓ Increase geographic coverage of demand response services to reach a greater range of locations
- ✓ Increase the number of fixed route transit connections at Park and Ride locations
- ✓ Improve infrastructure and transit amenities at existing Park and Ride locations
- ✓ Expand existing intercounty public transportation services

### **Need: Co-Locate Affordable and Accessible Housing with Transit Lines**

#### **Strategies**

- ✓ Develop collaborative opportunities with municipalities to locate affordable housing on or near transit routes
- ✓ Develop collaborative opportunities with municipalities to locate Americans with Disabilities Act (ADA) accessible housing on or near transit routes

### **Need: Improve Access to Necessary Social Services and Medical Providers**

### **Strategies**

- ✓ Improve coordination between transit services and key partners
- ✓ Optimize routing and appointment times to shorten trips and wait times
