RESOLUTION NO. 03-2027

FOR THE PURPOSE OF AMENDING THE FY2026-2032 and FY2027-2033 REGIONAL TRANSPORTATION IMPROVEMENT PROGRAMS

WHEREAS, the Community Planning Association of Southwest Idaho (COMPASS) was designated by the Governor of Idaho as the metropolitan planning organization responsible for transportation planning in Ada and Canyon Counties;

WHEREAS, the Infrastructure Investment and Jobs Act (IIJA), Title 23 United States Code Section 134, and Title 49 United States Code Section 5303 require metropolitan planning organizations to develop and approve transportation improvement programs;

WHEREAS, the IIJA, Title 23 United States Code Section 134, and Title 49 United States Code Section 5303 require projects contained in the transportation improvement programs to be financially constrained;

WHEREAS, the IIJA, Title 23 United States Code Section 134, and Title 49 United States Code Section 5303 require transportation improvement programs be developed in consultation with all interested parties;

WHEREAS, a public comment period was held from August 28, 2026, through September 13, 2026, and comments were shared with the COMPASS Board of Directors for consideration;

WHEREAS, COMPASS desires to take timely action to ensure the availability of federal funds;

WHEREAS, COMPASS developed these amendments to the FY2026-2032 and FY2027-2033 Regional Transportation Improvement Programs in compliance with all applicable state and federal regulations; and

WHEREAS, the attached tables detail the amendments to the FY2026-2032 and FY2027-2033 Regional Transportation Improvement Programs.

NOW, THEREFORE, BE IT RESOLVED, that the COMPASS Board of Directors approves these amendments to the FY2026-2032 and FY2027-2033 Regional Transportation Improvement Programs.

ADOPTED this 26th day of October 2026.

Amendment #8 to the FY2026-2032 Regional Transportation Improvement Program

Key Number	Project	Sponsor	Scheduled Funding for Project Lifetime *Current Total	Scheduled Funding for Project Lifetime Revised Total	Scheduled Funding for Project Lifetime Total Change	Percent Change	Program/ Funding Source	Federal Funding Year	Funding Phase	Current Total	Total After Revision	Brief Explanation
BOI03	Rail, Advancing Intercity Rail and Station, Boise	City of Boise	$0	$503,125	$503,125	100.00%	Competitive	2027	Design	$0	$503,125	Add project. Description: Develop a comprehensive funding and financing strategy for future passenger rail opportunities. The effort will also examine opportunities surrounding the historic Boise Depot and other station-area investments in the City of Boise. This project is funded by a competitive grant through the Innovative Finance and Asset Concession (IFAC) program through the Build America Bureau.
BOI04	Study, Lake Hazel Road Extension Corridor, Boise	City of Boise	$0	$7,000,000	$7,000,000	100.00%	Competitive	2027	Design	$0	$7,000,000	Add project. Description: Advance corridor-level planning for the Lake Hazel Road Extension, a future east–west mobility arterial south of the Boise Airport in the City of Boise. The project will support alignment refinement, environmental screening, railroad crossing feasibility, and phased implementation planning to prepare for future capital investment in coordination with the Ada County Highway District, Boise Airport, and utility providers. This project is funded by a competitive grant through the Better Utilizing Investments to Leverage Development (BUILD) program through the U.S. Department of Transportation.
NAM08	Northside Corridor Community Connectivity and Safety, Part 1, Nampa	City of Nampa	$0	$4,619,502	$4,619,502	100.00%	Competitive	2026	Design	$0	$15,000	Add project. Descripton: Provide connectivity and safety improvements along the Northside Corridor in the City of Nampa. This is a three-part project. Work for Part 1 includes a new traffic signal at Northside Boulevard and 4th Street North, replacement of the Broadmore Way bridge over Indian Creek, and access management at Northside Boulevard and 1st Street North. This project is funded by a competitive grant through the Better Utilizing Investments to Leverage Development (BUILD) program through the U.S. Department of Transportation. (Also see Key Numbers NAM09 and NAM10.)
							Competitive	2027	Construction	$0	$4,490,340	

			Scheduled Funding for Project Lifetime									
Key Number	Project	Sponsor	*Current Total	Revised Total	Total Change	Percent Change	Program/ Funding Source	Federal Funding Year	Funding Phase	Current Total	Total After Revision	Brief Explanation
NAM09	Northside Corridor Community Connectivity and Safety, Part 2, Nampa	City of Nampa	$0	$7,262,707	$7,262,707	100.00%	Competitive	2026	Design	$0	$15,000	Add project. Description: Provide connectivity and safety improvements along the Northside Corridor in the City of Nampa. This is a three-part project. Work for Part 2 addresses safety, mobility, and capacity at Northside Boulevard and 2nd Street South and 3rd Street South. Work will also improve pedestrian mobility by widening sidewalks, shortening crossings, removing free-running right-turn lanes (where appropriate), and upgrading facilities to meet Americans with Disabilities Act requirements. Work will also extend the second southbound through lane on Northside Boulevard from 3rd Street South to Hudson Avenue. This project is funded by a competitive grant through the Better Utilizing Investments to Leverage Development (BUILD) program through the U.S. Department of Transportation. (Also see Key Numbers NAM08 and NAM10.)
							Competitive	2028	Design	$0	$994,299	
							Competitive	2028	Right-of-Way	$0	$432,304	
							Competitive	2029	Construction	$0	$9,177,000	
NAM10	Northside Corridor Community Connectivity and Safety, Part 3, Nampa	City of Nampa	$0	$11,109,000	$11,109,000	100.00%	Competitive	2027	Design	$0	$172,500	Add project. Description: Provide connectivity and safety improvements along the Northside Corridor in the City of Nampa. This is a three-part project. Work for Part 3 will complete corridor improvements on Yale Street between Hudson Avenue and Lone Star Road/7th Avenue South and 7th Street between Lone Star Road/7th Avenue South and 12th Avenue/State Highway 45. Work also includes improvements to sidewalks, Americans with Disabilities Act (ADA) improvements, pavement rehabilitation, corridor lighting, enhanced pedestrian crossings (including Rectangular Rapid Flashing Beacons), and updates at the existing traffic signals on 7th Street at 11th and 12th Avenues. This project is funded by a competitive grant through the Better Utilizing Investments to Leverage Development (BUILD) program through the U.S. Department of Transportation. (Also see Key Numbers NAM08 and NAM09.)
							Competitive	2028	Design	$0	$1,552,500	
							Competitive	2029	Right-of-Way	$0	$207,000	
							Competitive	2030	Construction	$0	$9,177,000	

			Scheduled Funding for Project Lifetime									
Key Number	Project	Sponsor	*Current Total	Revised Total	Total Change	Percent Change	Program/ Funding Source	Federal Funding Year	Funding Phase	Current Total	Total After Revision	Brief Explanation
24237	~~Study, Interchange Modification Report, I-84 and SH-16 Nampa~~ Study, SH-16, South Connectivity, Canyon County	~~City of Nampa~~ ITD	$1,450,000	$3,254,000	$1,804,000	124.41%	STBG-State	2027	Design	$0	$2,000,000	Increase design using STBG-State ($2,000,000) and Non-Participarting (Local) ($1,250,000) funding and delay the original locally-funded project from FY2024-2025 to FY2027. Change the sponsor from the City of Nampa to ITD. Update the title and the desciption as shown: ~~Conduct a study to complete an Interchange Modification Report (IMR) and National Environmental Policy Act (NEPA) study for southerly access to the new Interstate 84 and State Highway 16 Interchange in the City of Nampa. The IMR was prioritized in the East Nampa Connectivity Plan. The NEPA is anticipated to require an environmental impact statement (EIS).~~ Evaluate extending State Highway 16 south of Interstate 84 to Bowmont Road south of the City of Nampa in Canyon County. The project will review the entire roadway network to determine future network needs in southwest Ada and southeast Canyon Counties, and is expected to result in a Planning and Environmental Linkages (PEL) and National Environmental Policy Act (NEPA) analysis consisting of an Environmental Impact Statement (EIS). STBG-State funds from KN 24822.
							Non-Participating (Local)	2027	Design	$0	$1,250,000	
							Previously Programmed	N/A	N/A	$1,450,000	$4,000	
24822	Study, SH-69, Southern Extension to I-84 at Blacks Creek Road Interchange/ Study, SH-69 South Connectivity, Ada and Canyon	ITD	$2,405,000	$316,871	($2,088,129)	-86.82%	State (Unallocated)	2026	Design	$0	($88,129)	Decrease design by $88,129 in State Unallocated in FY2026 and $2,000,000 in STBG-State (as approved in the FY2027-2033 TIP). STBG-State funds moved to KN 24237.
							STBG-State	2027	Design	$2,000,000	$0	
25341	SH-16, Valnova Drive Overpass, Ada County	ITD	$0	$550,000	$550,000	100.00%	Private Developer	2026	Construction	$0	$500,000	Add project. Description: Provide testing and inspection services for a new overpass connecting Valnova Drive to the west side of State Highway 16 with a southbound connector and associated turn lanes. The southbound connector will closely mirror the east side of State Highway 16 and Valnova Drive. The developer is paying for the overpass as well as the consultant costs for construction inspection. The cost for construction of the overpass is not included in this project, but is estimated at $7.8 million.
							State	2026	Construction	$0	$50,000
