Communities in Motion (CIM) Development Review Checklist

Development Name: Resting Rock

CIM Vision Category: Future Neighborhood

Consistent with CIM Vision? YES

New Households: 291  New Jobs: 150

Safety
How safe and comfortable is the nearest major road (minor arterial or above) for bicyclists and pedestrians? Analysis is limited to existing roadway conditions.

Franklin Boulevard
- Pedestrian level of stress ✓
- Bicycle level of stress ❌

Economic Vitality
To what extent does the project enable people, government, and businesses to prosper?

- Economic Activity Center Access ✓
- Impact on Existing Surrounding Farmland ❌
- Net Fiscal Impact ✓

Convenience
What services are available within 0.5 miles (green) or 1 mile (yellow) of the project?

- Nearest bus stop ❌
- Nearest public school ❌
- Nearest public park ❌

Quality of Life
Checked boxes indicate that additional information is attached.

- Active Transportation ❌
- Automobile Transportation ❌
- Public Transportation ❌
- Roadway Projects ✓

Comments:
Due to the site’s proximity to US Highway 20/26, consider noise impacts on future residents. Also while the site is not currently served by public transportation, the 2050 Treasure Valley Public Transportation System shows an unfunded express bus route on US Highway 20/26 in the future.

Note that job estimates are based on the 3 acres of future commercial land on the northwest corner of the development.

Who we are: The Community Planning Association of Southwest Idaho (COMPASS) is the metropolitan planning organization for Ada and Canyon Counties. This review evaluates whether land developments are consistent with Communities in Motion, the regional long-range transportation plan for Ada and Canyon Counties. This checklist is not intended to be prescriptive, but rather a guidance document. Past checklists are available online. See the Development Review User Guide for more information on the red, yellow, and green checklist thresholds.

Complete Network Appendix

Checkmarks (✓) below indicate suggested changes to a site plan, based on the COMPASS Complete Network Policy (No. 2022-01). Both the Complete Network Policy and site-specific suggestions are intended to better align land use with identified transportation uses in the corridor. Please see the Complete Network map for primary and secondary uses for roadways (minor arterial and above) in Ada and Canyon Counties.

Fiscal Impact Analysis

Below are the expected revenues and costs to local governments from this project. The purpose of this analysis is to help the public, stakeholders, and the decision-makers better manage growth.

Capital and operating expenditures are determined based on service and infrastructure needs, including persons per household, student generation rates, lot sizes, street frontages, vehicle trip and trip adjustment factors, average trip lengths, construction values, income, discretionary spending, and employment densities.

Breakeven point across all agencies: 3 years

Disclaimer: This tool only looks out 20 years and does not include replacement costs for infrastructure, public utilities, or unfunded transportation needs in the project area. More information about the COMPASS Fiscal Impact Tool is available at: www.compassidaho.org/prodserv/fiscalimpact.htm
Long-Term Funded and Unfunded Capital Projects

CIM Priority Corridor: Franklin Boulevard (Birch Lane to US Highway 20/26)

Widening Franklin Boulevard (Birch Lane to US Highway 20/26) to five lanes is a long-term funded project shown in Communities in Motion 2050.

More information on transportation needs and projects based on forecasted future growth is available at: https://cim2050.compassidaho.org/projects-and-priorities/project-priorities/

Short-Term Funded Capital Projects

Source: The COMPASS Transportation Improvement Program (TIP). The TIP is a short-range (seven-year) budget of transportation projects for which federal funds are anticipated, along with non-federally funded projects that are regionally significant and is available at: https://www.compassidaho.org/documents/prodserv/trans/FY22/FY23_29TIPdoc.pdf
