Types of assistance available upon request include:

- Finding funding sources to match projects
- Determining whether a project is eligible for a specific funding source
- Providing an outline of information needed to respond appropriately to application requirements
- Gathering statistical information to justify funding requests
- Writing all or portions of grant applications
- Reviewing a completed grant application to ensure all funder requirements are met
- Providing letters of support
- Providing other support as needed

Members are asked to notify staff whenever project needs change to ensure staff efforts match current needs.
